About the artists:

- **6/24 - The Junebugs** combine high-energy pop and rock with Pacific Northwest folksy goodness to create a genre-bending sound you can kick up your heels to. Covering everything from Tom Petty to TLC to Lorde, the eclectic taste of the trio ranges from turn-of-the-century Americana to modern Hip Hop, with a strong emphasis on vocal harmony.
-
- **7/15 - Todd Haaby** has performed live with Grammy Award-Winning artist Phil Driscoll. With a growing love of Spanish music and the fortunate opportunity to travel abroad, Todd has developed a unique style all his own. From riffs he learned as a kid listening to Edward Van Halen, to the explosive sounds of the Gypsy Kings, Todd has combined all of his musical experiences to write and define a flavor of music indicative of Nuevo Flamenco.
- **8/19 - Aaron Meyer + Band** leaves audiences truly mesmerized by his unique stage presence blended with awe-inspiring virtuosic performances. Aaron immediately engages his fans, displaying an affinity for the violin in a seemingly effortless mastery of the instrument. Aaron's cutting-edge musical style was inspired by his worldwide travels. After performing as an original band member for the world-renowned band Pink Martini, he recorded on the album *Symphatique* (which sold a million copies worldwide), Aaron then refined his own brand of music. He's a favorite at the Oregon Garden Resort!
