3 years of operation!

At Eastin Easy Aishwarya Talegaon.

Marking our 3rd Anniversary this year, another significant milestone in our enjoyable journey of achievements and satisfaction. Our continued success comes from our two biggest assets, our guests and our team.

This also happens to be a very unique year, difficult and very worrying, where the entire world is facing an unprecedented global health crisis. While it may not be an appropriate time for celebration, it is still important for us to reflect on the past, and more importantly, to focus on the future.
