Aloha pumehana kākou,

This email is in regards to our decision to postpone this year's Kauluhiwaolele Maui Fiber Arts Conference to accommodate major construction projects taking place at Kā'anapali Beach Hotel.

We are excited to announce that Kā'anapali Beach Hotel will be undergoing hotel enhancements scheduled to begin this Spring. Key public spaces will be transformed, including significant redesign of the Kaua'i wing, the parking structure, landscaping in the courtyard area, and a new beachfront restaurant. Although we began the initial planning stages for Kauluhiwaolele 2020, we recently encountered unforeseen circumstances which would prevent us from providing an exceptional experience for our valued Kauluhiwaolele 'ohana. Therefore, we made the tough decision to postpone this year's conference until **September 2021**.

With the completion of these enhancement projects at the end of 2020, we can look forward to welcoming you back for Kauluhiwaolele Maui Fiber Arts Conference 2021 with improved facilities and offerings. Our plans include the expansion of lobby classes and crafters, increasing the number of conference scholarships, and other enriching, educational experiences. **Please mark your calendars for September 8- 11, 2021.**

Mahalo nui loa iā 'oukou pākahi a pau for your willingness to be a part of the mission of Kauluhiwaolele to increase the number of community-based educators and resources. A hui hou kākou!

Me ke aloha palena 'ole,
