

Kauluhiwaolele Maui Fiber Arts Conference
Kauluhano Scholarship Application 2022
August 31 - September 3, 2022

Through the generous donations of Kauluhiwaolele supporters, Kauluhiwaolele can offer scholarships to our annual conference at Kā'anapali Beach Hotel. This conference focuses on the multiple ways we utilize Hawaiian plants. Leaves, bark, sedges, and roots are just some of the fibers used to weave, twill, twine, and knot into precious creations. The intention of the scholarship is to encourage Maui's younger generation to learn and practice these important Hawaiian cultural skills. Those awarded will be granted registration to the 2022 Kauluhiwaolele Maui Fiber Arts Conference which includes: 4 days of weaving instruction, and admission to the celebration event dinner on Saturday, September 3, 2022.
