2012, The Fullerton Bay Hotel Singapore has consistently won the Tripadvisor Travellers' Choice awards.

Travellers' Choice winners represent the highest-rated properties around the world and are among the top 1 percent of all listings on Tripadvisor. Jane Lim, Vice President of Global Markets at Tripadvisor said, "Tripadvisor's Travellers' Choice awards recognises the world's best hotels, restaurants and airlines that offer remarkable service, value and quality, based on the millions of reviews and opinions by our global community of travellers. Despite the challenging year it has been so far, we want to celebrate our partners and support them as they continue to inspire travellers as the world begins to travel again."

The Fullerton Hotels and Resorts made its first international debut with the opening of The Fullerton Hotel Sydney in 2019, and will establish the second international outpost with the opening of The Fullerton Ocean Park Hotel Hong Kong in autumn 2021. "We look forward to bringing our unique brand of hospitality to Hong Kong and will work towards establishing the same level of service excellence for The Fullerton Ocean Park Hotel Hong Kong," concluded Cavaliere Giovanni Viterale.
