## **ABOUT THE FULLERTON HOTEL SINGAPORE**

The magnificent Fullerton Building is a grand neoclassical landmark built in 1928. Gazetted in December 2015 as a National Monument, it was once home to Singapore's General Post Office, the Exchange Room and Exchange Reference Library, and the prestigious Singapore Club. For nearly a century, it played a pivotal role in Singapore's rich history. Today, The Fullerton Hotel Singapore has been transformed into a stunning 400-room heritage hotel in Singapore. The Fullerton Hotel Singapore is carefully designed to provide both business and leisure travelers with a sanctuary of serenity and comfort in which to retreat and rejuvenate. Located in the heart of the financial and arts districts, the hotel blends rich heritage with contemporary style and personalised service to offer guests a world-class accommodation experience. Epicureans can enjoy exquisite Cantonese cuisine at Jade Restaurant or feast on local delights and international favourites at The Courtyard. On weekends, Town Restaurant serves a dinner feast of international and hawker dishes, with unlimited servings, and Sunday brunch. Aside from the dining selections, guests can pamper themselves with indulgent treatments at The Fullerton Spa. [fullertonhotels.com](http://fullertonhotels.com)
