**The Fullerton Bay Hotel Singapore Unveils the ‘Winston Garden’
Afternoon Tea in Partnership with Harry Winston**

*Step into a blossoming garden in the heart of the Garden City by the Marina Bay waterfront
and indulge in the refined ritual of Afternoon Tea*

SINGAPORE, 26 April 2021 – Beauty reveals itself in the simplest works of nature. Inspired by the transcendent beauty of fresh blooms and the timeless romance of precious gems, The Fullerton Bay Hotel Singapore presents the **Winston Garden Afternoon Tea** in partnership with Harry Winston.

Available from 1 to 31 May 2021, the specially curated afternoon tea experience brings together nature’s beauty, fine jewellery and epicurean delight in the sophisticated setting of The Landing Point by the Marina Bay waterfront, where afternoon tea is a classic favourite amongst guests.

Reminiscent of spring afternoons in his dreamy garden – where budding blooms of lilies, sunflowers and forget-me-not captivated and inspired Mr Harry Winston to immortalise his favourite blossoms through spectacular works of art – guests can enjoy a repertoire of new Spring-inspired teatime creations by Executive Pastry Chef Siddharth Prabhu, whilst surrounded by stunning floral arrangements for a truly enchanting experience.

In addition to specially customised floral décor, guests can view exquisite pieces from Harry Winston’s floral-inspired jewels, which will be displayed at The Landing Point, or take photographs at the Winston Garden Instagram corner. With each order of the Afternoon Tea set, guests will also receive an exclusive memento of their visit – a pair of limited-edition teaspoons engraved with the iconic Harry Winston motifs.
