Hotels with Fashion Designer Connections

Hotels, but make it fashion. Travel writer Carrie Bell's list of runway-ready rooms with designer connections makes booking a stylish sojourn simple.

Round Hill Hotel and Villas:

Caribbean cool meets couture at this Jamaican hideaway featuring a double-edged infinity pool and 36 oceanfront rooms decorated by villa owner Ralph Lauren with mahogany beds, nautical hues, and pineapple lamps. He also curated the spa and restaurant interiors inside an 18th-century house.
