## **WE-KO-PA CASINO RESORT CELEBRATES ONE-YEAR ANNIVERSARY**

*The state-of-the-art facility has experienced rapid growth during its first 12 months*

**FORT McDOWELL, Ariz. – Oct. 13, 2021** – On October 29, the [We-Ko-Pa Casino Resort](#) will celebrate its one-year anniversary of offering excellence in gaming to Valley residents and visitors to the area.

As the first casino in Arizona, Fort McDowell Casino enjoyed a long and respected gaming tenure after opening its doors as a bingo hall in 1984. Three years ago, the Fort McDowell Yavapai Nation committed to building an entirely new smoke-free facility to better reflect its brand and provide an elegant, contemporary ambiance for gaming enthusiasts and restaurant guests.

Rising to the challenge of unveiling a state-of-the-art 166,341-square-foot facility during a global pandemic, the Fort McDowell Yavapai Nation and their dedicated employees worked tirelessly to open the new casino while ensuring the health and wellbeing of all who worked and played there by adhering to all CDC recommendations and implementing personal protection measures throughout the property.

The result was a new facility that raised the bar for casinos in the area, boasting an impressive array of slot machines, bingo, tables and gaming amenities; fine- and casual dining outlets; live entertainment; and Native American design elements reflected throughout the property.

### **A year of growth and change**

Here are the key milestones achieved over the past 12 months

- We-Ko-Pa Casino Resort was named “Best Casino” for 2021 in PHOENIX Magazine’s popular “Best of the Valley” Reader’s Choice section.
- Unified the casino and hotel, that were previously separately managed and operated enterprises, under one entity to build a more cohesive brand, maximize efficiencies, and achieve economies of scale.
- Ember, the casino’s fine-dining steakhouse, achieved the illustrious Wine Spectator “Best of Award of Excellence” for 2021, recognizing its excellent breadth across multiple regions and significant vertical depth. Ember is one of only seven restaurants in the state to receive this award.
- Partnered with Betfred Sports, recognized leaders in the US sports betting market. We are finalizing our plan to build a Las Vegas-quality retail sportsbook to bring sport betting to Arizona residents.

- Signed Tribal Gaming Compacts, along with the legislative changes required to enact them, after years of good faith negotiations with their sister tribes toward a modernized Compact with the state of Arizona.
- Introduced two new table games: Roll To Win Craps™ (a semi-autonomous craps game that lets players shoot real dice across a 12-foot LED playing field screen), and Blaze Roulette (featuring an LED Lightbox-lit gaming surface that displays eye-catching animations and game prompts).
- Unveiled new Dining Studio, featuring scratch-made food from around the world at Dragon Wok and Noodle (authentic Chinese specialty items) and Las Tapas (traditional Mexican favorites).
- Added approximately 75 of the latest, cutting-edge slot machines in the newly named The Mint slot room.
- Released a user-friendly app that shows room rates, highlights promotions, and showcases upcoming entertainment events, plus allows users to book accommodations and reservations at Ember steakhouse, enroll in the Fortune Club, and learn more about meeting venues.
- Was named a finalist for AZRE Magazine’s annual Real Estate and Development (RED) Awards, as one of the state’s top projects, architects, contractors, developers and brokers in 2020.
- WKP Sports & Entertainment, the casino’s sports bar-themed restaurant, joined the Untappd app to introduce the Valley drinking community to their wide range of draft and local beers. We-Ko-Pa Casino Resort was the first casino in the state to offer this innovative way for beer enthusiasts to discover new beer styles while tracking and rating brews already tried.

“For more than 37 years, our tribal nation has taken great pride in offering excellence in gaming, and we’re thrilled to continue this legacy in our beautiful new facility,” said Bernadine Burnette, president of the Fort McDowell Yavapai Nation. “Our future plans include launching a new sportsbook facility with Betfred Sports, as well as opening Amore – the newest addition to our Dining Studio that will feature traditional Italian fare.

“We’d like to invite everyone to celebrate our one-year anniversary and experience the magic of We-Ko-Pa for themselves.”
