The most prolific wide receiver in Buffalo Bills' history will take part in a live Q&A, sign autographs and pose for photos at the We-Ko-Pa Casino Resort's fun sports bar-themed restaurant

WHAT: 2014 Football Hall of Fame inductee Andre Reed will host the weekly Football Frenzy at WKP Sports & Entertainment at the We-Ko-Pa Casino Resort on October 18 – the same night the Buffalo Bills are playing the Tennessee Titans.

While the game is playing on the multiple TVs throughout the restaurant, Reed will share career highlights, take part in a live Q&A, pose for photographs, and sign autographs. Giveaways will include autographed Pro Football merchandise, and special game-day fare and drink specials will celebrate this special guest appearance.

One of the NFL's all-time great receivers known for his "yards after catch," Reed's impressive career included 13,198 receiving yards and 951 receptions during his 15 seasons with the Buffalo Bills and one season with the Washington Redskins. He played in seven pro bowls and four consecutive Super Bowls (where he recorded 27 receptions and 323 total receiving yards), and was named All-AFC four times.

Off the field, he established the Andre Reed Foundation in 2010 to help underprivileged children reach their full potential and become responsible contributors to their communities.

Reed is available for media interviews.
