BAY GARDENS BEACH RESORT & SPA

WELCOME TO PARADISE

Reviewd by: [Debi A](#)

This resort is in a fabulous location right on the beach. We had an ocean view room top floor and what a spectacular view. This has got to be one of the best views I have ever had from a holiday hotel room. The rooms are serviced every day and excellently cleaned. The staff are friendly and helpful and sort out the tiniest of problems without any questions. The general manager is visible and on site and always engages with everyone checking her guests are happy. If you are looking for a fabulous resort stay in St Lucia, I cannot recommend this high enough.

AWESOME STAY

Had such a great time at Bay Gardens! The staff was lovely and accommodating. I also love that there was a shuttle to go to the other resort, where we were able to enjoy the beach and inflatable water course. It was truly so much fun. I would stay here again.

I stayed at the Bay Garden Inn, in February 2020, and experienced a first-class service, clean comfortable accommodations, friendly helpful staff, and a great choice of meals. For this visit they were again my first choice, a great stay in a Covid safe environment, where I felt very much at home. Looking forwards to my next visit.
