## Bay Gardens Resorts Executive Director Sanovnik Destang Awarded As 2022 Caribbean Hotelier of The Year

Caribbean Journal has unveiled the 2022 winners of its prestigious Caribbean Travel Awards. Bay Gardens Resorts Executive Director Sanovnik Destang has been named the 2022 Caribbean Hotelier of the Year.

The Saint Lucian-born hotelier was hand-selected by Caribbean Journal to receive the top honor at the 8th Annual Caribbean Travel Awards, which highlights the region's best beaches, destinations and resorts comprised of 20 categories.

Destang, a Chartered Professional Accountant (CPA) and Chartered Financial Analyst (CFA), spent four years working in Toronto, Canada, at KPMG, in the Fields of Audit & Transaction Advisory before returning to Saint Lucia in 2008 to lead the family-owned business founded by Joyce and Desmond Destang in 1995.

His extensive portfolio includes five Bay Gardens Resorts' properties - Bay Gardens Beach Resort & Spa, Bay Gardens Inn, Bay Gardens Marina Haven, Bay Gardens Hotel, and Waters Edge Villas by Bay Gardens Resorts. The collection consists of 233 rooms, two luxury villas, seven conference rooms, and five restaurants in Saint Lucia's entertainment capital, Rodney Bay.

Caribbean Journal Magazine stated, "Destang is at the forefront of Caribbean tourism, continuing to grow Bay Gardens, incessantly innovating (including the development of a game-changing all-inclusive dine-around program) and demonstrating the power of hospitality to impact every level of a destination".

During his tenure, Destang has increased hotel profit and revenue by developing a strategic digital marketing strategy for Bay Gardens Resorts, which focuses on sales, marketing, social media, and public relations to yield direct bookings online for all properties.

"Being chosen as the 2022 Caribbean Hotelier of the Year is such an honor, Caribbean Journal puts a lot of thought into selecting a winner, and I am so grateful to have been considered for this award,"

remarked Sanovnik Destang, Executive Director of Bay Gardens Resorts.

The prestigious award places Destang in some elite company with great hoteliers in the region. “This is a true testament to the hard work and dedication of the Bay Gardens team. To lead and do it well requires commitment from your team at every level to succeed. You must listen and understand the challenges of every department and help them to come up with creative solutions especially in this environment. The staff at Bay Gardens Resorts, from the management team to the supervisors and the line staff, are all pivotal to the success of Bay Gardens Resorts. My entire family has also been a huge pillar of strength for me, and as a family-owned business we share this award together”. Destang is the first Saint Lucian to win this coveted award (past winners have included Adam Stewart of Sandals Resorts, Rob Barrett of Elite Island Resorts and Gregor Nassief of Fort Young/Secret Bay). Further accomplishments in Destang’s career include Saint Lucia’s Chamber of Commerce’s ‘Business of the Year Award’ for two consecutive years (2014 and 2015) and Caribbean Hotel & Resort Investment Summit 2014 Rising Star Award.

As a regional advocate for Saint Lucia and Caribbean in general, Destang is the former President of Saint Lucia Hospitality and Tourism Association (SLHTA), in addition to being long-time Director of the Caribbean Hotel and Tourism Association (CHTA) where he currently serves as its 2nd Vice President, and has held positions on numerous boards, locally and regionally.

## Saint Lucia Carnival is Back for 2022!

Saint Lucia Carnival is recognized as one of the top Carnivals in the Caribbean. Each year during the month of July, the island turns into a massive celebration filled with elaborate costumes, intoxicating rhythms, parades, and a variety of competitions including the ever-popular Power and Groovy Monarch, Senior and Junior Panoramas (Steel Pan Competitions), and the Inter-Commercial House Calypso completion to name a few.

The season culminates in an exciting, fun-filled two-day street parade of live bands with sweet Soca music, stunning Carnival costumes and the joyous and energetic revelry typical of Caribbean carnivals. After a two year break due to the global pandemic and after several consultations between stakeholders and the Government, the Cabinet of Ministers has decided that the country will host Saint Lucia Carnival 2022 dubbed 'The Vaxxed Mas'.

The hosting of Carnival 2022 has received the full approval of the Ministry of Health, according to established health protocols. The highly anticipated cultural display is set to follow a new format to safeguard the health and wellness of all participants.

The guidelines will be announced in due course following further working consultations between the Ministry of Health and stakeholders. Everyone participating, revelers, patrons, support staff and service providers must be fully vaccinated against Covid-19.

Saint Lucia Carnival is one of the region's biggest cultural displays and has had a significant cultural and socio-economic impact over the years. Bay Gardens Resorts are thrilled to welcome back this magnificent festival and expression of Saint Lucian culture.

All our properties are conveniently located within a 15 minute or less drive of the major traditional venues for Carnival activities and we have proudly been the home of many smaller Carnival events and festivities of our own. Stay tuned for more information!

### **BAY GARDENS BEACH RESORT & SPA**

#### **WELCOME TO PARADISE**

Reviewd by: **Debi A**

This resort is in a fabulous location right on the beach. We had an ocean view room top floor and what a spectacular view. This has got to be one

of the best views I have ever had from a holiday hotel room. The rooms are serviced every day and excellently cleaned. The staff are friendly and helpful and sort out the tiniest of problems without any questions. The general manager is visible and on site and always engages with everyone checking her guests are happy. If you are looking for a fabulous resort stay in St Lucia, I cannot recommend this high enough.

## Recipe of The Month - Brown Sugar Baked Ham with Pineapple

### Ingredients

- 1 (15-pound) bone-in ham
- 2 cups packed brown sugar
- 1/2 teaspoon ground cloves
- 5 (20-ounce) cans of pineapple rings in 100% juice

### Method:

#### 1. Prepare your roasting pan:

Place 6 to 8 pineapple rings on the bottom of the roasting pan. (You can also use a large casserole dish;

if your ham fits, the dish is fine!)

## **2. Season the ham:**

Remove the ham from its packaging and place the ham in the roasting pan. Combine brown sugar and ground cloves together in a small bowl. Massage the sugar mixture all over the ham, including the cut side. Really rub the sugar into the meat. It will turn into a paste as you rub it. That's okay. If some sugar drops into the roasting pan, scoop it up, and keep rubbing it into the meat. When finished, set the ham cut side down onto the pineapple rings.

## **3. Score the ham:**

Score the ham 1/4-inch deep in a diamond pattern. If this is difficult to do in the roasting pan, then transfer the ham to a cutting board. Score it, and then return it to the roasting pan, putting the cut side down onto the pineapple rings. Pour the juice from 1 can of pineapple into the bottom of the pan. Don't pour the juice over the ham because it will wash off the brown sugar.

## **4. Let the ham rest for 24 hours:**

Cover the ham with aluminum foil, secure it around the roaster, and let hang out in the fridge overnight, or for at least 8 hours.

## **5. Cover the ham with pineapple slices:**

The next day, remove the ham from the refrigerator. Open the foil and spoon pan juices over the ham. Lay pineapple rings across the ham so they touch each other, and secure them with wooden toothpicks if necessary. Two toothpicks per slice is plenty.

## **6. Bake the ham:**

Cover with foil. Make sure to seal the foil tightly around the edges of the roasting pan. Bake at 325°F for 15 to 18 minutes per pound of meat. (Roughly 4 1/2 hours for a 15-pound ham.)

## **7. Rest the ham before serving:**

Let the ham rest, covered, for 15 minutes before slicing.

## **8. Slice and serve:**

Transfer the ham to a cutting board. Remove the pineapple slices and save them to fry and put on leftover ham sandwiches. Discard the toothpicks. Slice the ham to your desired thickness. Serve alongside a selection of high-quality mustard and/or chutneys.
