Bay Gardens Announces Green Globe Recertification

Bay Gardens Resorts announces Green Globe Recertification for three of its properties in the year 2022. (Bay Gardens Hotel, Bay Gardens Inn, and the Bay Gardens Beach Resort & Spa.) The resort chain has implemented environmental best practices in accordance with the Green Globe Certification standard which includes but is not limited to the installation of Gemlink occupancy sensors which are currently in all rooms across the properties, including the Bay Gardens Marina Haven and Waters Edge Villas.

This has led to a reduction of 15% in usage per occupied room. The resort chain has also made other decisions such as discontinuing the use of all Expanded Polystyrene products (Styrofoam) throughout the properties and participated in the SLHTA's Virtual Agricultural Clearing House (VACH) which has assisted in sourcing products locally. Organizations such as the Bay Gardens Resorts is supported by Green Globe to improve their social, environmental, and economic sustainability whilst being recognized and rewarded. Through successfully achieving Green Globe Recertification, the efforts to move daily operations towards sustainable and environmentally friendly processes is evidently indicated.

About Green Globe Green Globe is the global certification for sustainable tourism and is recognized as the highest level of sustainability certification by leaders in the tourism and hospitality industry. It is reviewed twice per calendar year and is updated to the highest international standard with a third-party independent auditor being appointed to audit clients on an annual basis. I LOVE IT HERE!! THE BEST VACATION EVER.

Reviewd by: Paulam093

Absolutely beautiful. The beachfront rooms are amazing. Going to sleep with the sound of the waves I love!! The decor classy chic. The beds are

very comfortable. The staff are super polite and helpful. We feel very safe. The covid protocols are in place. The location is perfect. There are lots of restaurants nearby and a grocery store. The beach is beautiful here.

BAY GARDENS HOTEL

WONDERFUL ACCOMMODATIONS AND STAFF

Reviewed by: [Jamaican88](#)

We just returned from beautiful St. Lucia. Our stay at the Bay Gardens Hotel was everything we had hoped for. The Croton Suite kitchen had everything we needed to cook breakfast (we did not do the all-inclusive plan) and the living room and bedroom were quite comfortable. Air conditioning worked well. The housekeeping staff cleaned daily and did a great job. The property has 3 pools and one of the pools (with a waterfall) was a 20 step walk from our small patio. Cheryl, Austin, and all the front desk staff were incredibly helpful to help us with dinner reservations, scheduling our departure Covid tests and anything else we needed. The shuttle to the Beach Resort (5 minutes away) was frequent and drivers were friendly and helpful. The Bay Gardens Beach Resort did an informative orientation for new guests. The beach was beautiful and non-motorized and motorized sports were available. We tried Big Mabel the boat pulled couch and had a blast. I would certainly recommend this hotel and will be back!

BAY GARDENS INN

12 NIGHTS STAY, LOVELY

Reviewed by: [jcampbell2022](#)

Would like to say that the staff at Bay Gardens Inn were all lovely throughout the duration of our trip. Many a joke was shared. They were always available and helpful; everything was booked seamlessly (excursions). There's a very good variation of tasty food for all 3 meals a day at the hotel restaurant and a lot of restaurants within 5-10 minutes' walk. The rooms are perfectly fine, Air Conditioned, ours had a huuuuge bed, and cleaned daily if you wish. Thanks for having us!

BAY GARDENS MARINA HAVEN

GREAT PLACE TO STAY

Reviewed by: [j0nes54](#)

Arrived late evening to welcoming friendly staff. This continued for the whole 2 weeks. Customer service was spot on. Rooms were bright and clean all with a view on pool. Hotel in excellent location for walking out to nearby marina, shops etc. Friendly locals. Shuttle bus to sister hotels and beach but we walked quite often for some exercise. Quality and choice of food at meals and drinks far exceeded our expectations .

We will return when Friday night street party opens again!

Daryl the General manager sets the whole tone of the hotel for the staff with her visible presence and interaction with all guests. Covid guidelines were in place and felt very reassured.

Recipe of The Month: Salfish Accra

- 1 garlic minced
- ½ teaspoon ground thyme preferably
- salt and pepper to taste

Ingredients

- ½ cup soaked and finely shredded salted codfish
- 1 small onion finely diced
- 2 dried bay leaves optional
- 1 ½ cup flour
- 1 cup water plus more if necessary
- 1 egg separated
- ½ tablespoon chives minced
- ½ tablespoon fresh parsley thinly chopped
- 1 – 2 dash baking soda
- 2 shado beni leaves
(or 1 tablespoon cilantro) chopped

Method:

De-salt the codfish for at least 12 hours in cold water and changing the water twice. In a saucepan filled with water, boil the codfish with the bay leaves if using. If not boil codfish in enough water for at least 30 minutes. Remove from water and let codfish cool before shredding and removing any bones.

In a large bowl, whisk together, flour and water to make a very moist dough. Add shredded codfish and all spices. If you want a homogeneous mixture pour mixture into a blender and blend for less than 1 minute. Mix together beaten egg yolk. Put mixture in refrigerator for at least 10 to 15 minutes.

Heat enough oil for batter. Remove batter from refrigerator add baking soda and mix. Beat egg white to almost stiff. Add to batter and gently blend well.

Drop by the spoonful into hot oil. Do not overload. Cook until golden brown and crispy, turning once on each side. Drain on paper towel.

Garnish and serve immediately.
