Destination

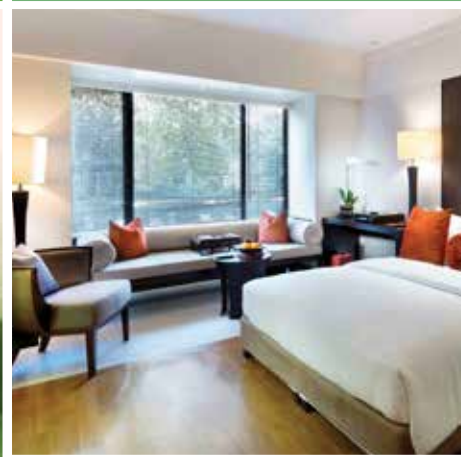

Your golf-cation is never complete without experiencing the two award winning courses of Saujana Golf & Country Club - the world-renowned Palm Course (internationally known as the Cobra) and the Bunga Raya Course.

Both courses are masterfully designed to test the full complement of your skill giving you a true sense of achievement after a good game, and a nagging urge to return and take it on again after a poor one.

The Cobra is the much sought-after venue for international tournaments with mature palm trees covering the whole expanse of the dramatic layout. Gentle undulating fairways, deep ravines and lightning fast greens are its typical features.

True to its moniker - Crocodile - the Bunga Raya is replete with water throughout its layout. The fairways meanders gently through tall trees and mounds and the tricky greens are well guarded by bunkers and water.

Just a stroll away from the clubhouse is the 5-star resort hotel - the Saujana Kuala Lumpur. This 355-room deluxe resort is an idyllic haven for business and pleasure. Not only can you enjoy the luxurious rooms and facilities and be pampered at its exclusive spa, there is also ample choice of eastern and western fine dining fare.
