WHISKY | Scotland | Speyside

Home of over half Scotland's distilleries, Speyside malts from these fifty or so distilleries are known for being frugal with peat and lavish with nutty fruit flavors. Apple, pear, honey, vanilla and spice all have a part to play in the Speyside Whiskies.

WHISKY | Scotland | Islands and Campbeltown

The versatility of the Islands accommodates both feathery citrus flavors and smoking peaty noses which dominates the characters of brine, oil, black pepper, heather and honey. Most Island whiskies are salted by the sea, some are sweet and herbal.

Campbeltown region, contrary to its prolific history, now boasts only three coastal Whisky producers. However, despite the region's contraction, the malts produced are fiercely enduring and distinctive.
