LAKE VICTORIA SERENA GOLF RESORT & SPA

The Resort is styled to replicate the lines of a classically rustic Roman Villa which might just as easily stand amid the sunflowers of the Tuscan Hills, as on the shores of Africa's largest lake. This resort will offer both a contrast and an extension to the 5-star profile of the flagship Kampala Serena Hotel, thus ensuring that the Serena Portfolio embraces all the aspects of Uganda's social and cooperate life. Future developments on the property include a golf-course, marina and luxury residential complex.
