SETTLING IN

Most students coming from overseas experience a certain amount of 'culture shock'.

The people, the weather, the food, and the buildings may be new, and it may take you a little time to get used to your new surroundings.

Many new students, including Australian students, are living away from their family and friends for the first time so we encourage you to become involved in our Community Spirit Events, so that you will make new friends and begin to feel more 'at home'.

If you are having difficulty settling in, our staffs are here to help you! We also have many students from different countries that are going through the same experiences as you.

Please come and see us if only for a chat! UniLodge wants your stay to be a happy and prosperous one.

WE CARE ABOUT YOU!

UniLodge strives to provide community-based support. One of the big advantages of living in a community is that there is always someone willing to help. Do not keep your worries to yourself – the sooner we get on to them, the sooner we can help you to resolve the problem. Confidence is kept, and you can be assured of a sympathetic ear, regardless of the size or nature of your problem.

New residents often experience difficulty adjusting to:

- The transition from school to tertiary/university life
- A different education system and different demands
- Living away from home, and fending for themselves
- Being away from the support of family and friends
- Settling into city life, a new state or a new country
- Language barriers
- Life style and culture changes, this may come as a shock, and may include:
 - Finding their way around i.e. transport, clubs, churches etc.
 - Basic establishment tasks e.g. bank accounts etc.

UniLodge staff are here to assist you with all these issues and more. Feel free to pop into reception and we will be happy to give you the information you need.

Any one affected by illness, accident or death of a relative, should talk to the Residential Life Manager or Property Manager. If necessary, we can refer you to the appropriate counsellors for further support. We're here to help in any way we can.

UniLodge is proud to offer a pastoral care network. When you join our community, you will find there is always something to do and someone to talk to.

Our Residential Advisors are available during the night however, they are always available for a chat and to offer advice and sometimes referrals to other services.

Connecting you to services, people and places is just one of the important roles to play here at UniLodge. So, whether you want to connect with other residents, the local community or just want to know the best places to 'hang out' we can help you.

We want to assist you wherever possible to fit into your home away from home as quickly, safely and securely as possible so you can get on with the job of studying and enjoying your time here.

Academic Support

If you have an academic problem, talk to us as soon as it arises – don't leave it until it is too late! Should you be experiencing any concerns regarding course and subject selection, preparation for examinations, dealing with tutors and lecturers, applying for special consideration due to sickness or family troubles, we can help to refer you to the relevant department or faculty that will be able to address any issues. As a resident you will experience differing levels of stress at various times, particularly around examination time. We are here to provide a climate in which you can maximise your academic achievements. If you are experiencing noise related problems that are affecting your study, please advise us immediately by calling the RA on duty.

RESIDENTS MUST ALWAYS BE TOLERANT OF OTHER RESIDENTS' STUDY HABITS.

What is Residential Life Program?

Community Spirit is an integrated, contemporary, student life program, run by UniLodge for our residents. It is designed to support and bring out the best in each resident through the duties and activities carried out by Senior residents, Residential Advisors, the Residential Life Manager/s, the Customer service staff, and the General Manager.

UniLodge's Multi-cultural Vision

We promote a cultural of mutual respect, tolerance and celebration of diversity. We aim to provide opportunity for the building of cross-cultural understanding and friendship. So, everyone feels respected, looks out for everyone else, belongs and shares a sense of family, friendship and belonging, interacts with, learns from, and values - all people.

What does the Program Aim to Achieve?

It offers a balanced program of activities that supports resident life across many dimensions such as: standard of living and quality of life, mental and physical health, academic and personal achievements, personal and social relationships, safety and security and community connectivity.

What Types of Activities Underpin the Residential Life Program?

- Socially responsible activities such as getting residents involved in raising much needed funds for a charity such as Movember, or participation in community activities.
- Barbeques and nights full of entertainment, that encourages interaction, fun and friendship.
- Trips to Aussie fun spots - go surfing, indoor rock-climbing, bike riding to great Australian icons.
- Educational and special interest forums, seminars and focus groups.
- Life skill sessions such as budget workshops, interview skills, and resume writing workshop.

The wide range of events will be loaded via Unilodge App for the upcoming months so you can see what events are coming up and choose the ones you wish to attend, so simple! Our customer service staff at reception can assist you or answer any questions you may have.

Complaints

Life in a community can sometimes throw up challenges that are difficult to manage on your own. You might have a problem with a fellow resident or a staff member, or a decision that has been made by UniLodge Management. If you do come across some difficulty in your life at UniLodge, don't hesitate to raise it with the Residential Life Manager or the General Manager. In most cases, problems can be resolved through informal enquiries and discussions.

Here are the steps to follow if you need help to resolve a problem:

Step 1 - Talk politely and openly to the person involved

Step 2 - Inform the person that you will take the matter to UniLodge Management

Step 3 - Inform the UniLodge Manager of the complaint, and they will work with you to resolve the issue.

If you have a complaint against UniLodge Royal Melbourne, please come and speak with us about it; we will always do our utmost best to help you! Please note complaints must be processed with UniLodge Royal Melbourne and not with the University unless you wish to escalate an unresolved complaint.

Financial Difficulties

If you are experiencing any financial difficulties, please speak to the Residential Life Manager, the Customer Service Manager or the General Manager. Often, these difficulties can be managed by the implementation of a financial plan. The Residential Life Manager can also help connect you to the University, whom may be able to offer some form of assistance.

LIVING TOGETHER @ UNILODGE ROYAL MELBOURNE

Living in a close community like UniLodge can be a lot of fun, but it will take effort and compromise. Follow these escalation steps if conflicts arise.

If you have an issue with a fellow resident, try first to talk about that issue with the person concerned. Try to talk about it before the issue becomes a major problem and try to come to an agreement.

If you feel that you are unable to come up with a suitable solution you can call the Residential Advisor to discuss your problem. If needed, the Residential Advisor will arrange a meeting with all relevant residents to discuss concerns and help resolve the problem.

If these steps have been followed and you find that the conflicting issues are still present, please contact the Residential Life Manager or the General Manager for further assistance with dealing with the matter.

YOUR AGREEMENT WITH US

Condition Report

At the commencement of the Tenancy Agreement, an Entry Condition Report will be completed and signed by both the Resident and a UniLodge representative. This Condition Report will be used at the end of the Tenancy Agreement to assess any damage to the unit, its furniture and equipment.

The completed Condition Report must be **returned to the office within 3 business days** of you receiving the report. Failure to do so will result in the precondition report forming the basis for any bond claims at the end of your tenancy.

Bond

The Bond is sent to the **Residential Tenancy Bond Authority (RTBA)** – a government organization and held in trust for the term of the tenancy. The bond cannot be used for rent at any time. The cost of any repairs or excessive cleaning may be deducted from the bond upon departure.

Termination of Tenancy Agreement

A Residential Tenancy Agreement may be terminated if:

1. The Resident fails to pay the rental within fourteen (14) days of the due date. Also, if the Resident fails to pay all outstanding expenses within seven days after receiving their account.

Eviction notices require the resident to vacate the property within fourteen (14) days.

2. The resident permits or allows any breach or fails to comply with the Terms and Conditions of the Residential Tenancy Agreement or Rules of Occupancy.

At the termination of a Residential Tenancy Agreement, the Resident's personal property must be removed. Any personal property left in the apartment will be disposed of in accordance with the Residential Tenancies Act 1997.

The Residential Tenancy Agreement is a legally binding document, which if broken, will incur penalties. Where a resident believes that they cannot continue to stay in the apartment, they must notify UniLodge Royal Melbourne management as soon as possible.

When considering the premature termination of your Residential Tenancy Agreement, it is your responsibility to:

Continue to pay all rent charges until a new resident can be secured or the Residential Tenancy Agreement ends, whichever comes first.

Pay all associated costs including applicable advertising and break lease fees as set out in your Residential Tenancy Agreement.

In all cases, a departure cleaning fee applies if the apartment/room is not satisfactory cleaned.

Cancellation of confirmed booking prior to arrival:

The payment of the first month's rental and other upfront charges is required in advance of your arrival and to secure the booking. This is on a non-refundable basis. Only in special circumstances (with appropriate support documentation) would a refund be considered, subject to the Residential Tenancies Act 1997. In such an instance a cancellation/administration fee equivalent to two week's rental plus GST will apply.

Disciplinary Action

We would always attempt to resolve any issues by mutual consent. However, your tenancy is under Victorian Law and covered by the Residential Tenancies Act 1997 and there are responsibilities for both parties.

We will discuss face to face and explain what the issue is. A note will go on your file.

A caution letter depending on how serious the issue is.

To turn your heater off: Turn knob on bottom right side of heater (closest to bed) **anti-clockwise**

Kitchen Benchtop

Please ensure to always wipe down the kitchen bench (circled in red below) after use. DO NOT leave the area wet as this may cause damage to the bench that the Resident may be liable for. If there is any issues with the area, please let management know right away.

OPERATING AND CARING FOR YOUR UNIT

Departure Cleaning

Your unit has been professionally cleaned and fitted with new mattress protectors prior to your arrival and as a requirement of your lease you must leave your premises in the same condition as when you entered. To take some of the stress out of your exit process, UniLodge has been able to assist and recommend a cleaning company that delivers a service that we believe is of a very high standard which meets our expectation.

Glass and Aluminium

Please note the following suggested points for the care and maintenance of the glass in your apartment.

WHAT NOT TO DO

- Do not store or place items in contact with the glass (this can damage the glass or create a heat trap leading to thermal breakage).
- Never use abrasive cleaners on glass. Scouring pads or other harsh materials must not be used to clean windows or other glass products. Powder based cleaners are to be avoided.
- Avoid causing extreme temperature changes as this may lead to thermal fracture of the glass (i.e. Do not splash hot water on cold glass, or freezing water on hot glass). Some tapes or adhesives can stain or damage glass surfaces. Avoid using such materials unless they are known to be easily removed.

Heating

There is a Hydronic heater installed in your apartment. At no time should this be covered or obstructed in anyway. Clothing and laundry cannot be hung over the heater as this is a dangerous fire hazard.

Joinery Items

Cleaning

A wipe over with a clean, soft damp cloth should be enough to keep all Laminex surfaces clean. Soiled surfaces or light stains are best removed with warm soapy water or with a common detergent, such as Mr. Muscle, Nifty Solvent or bathroom cleaner. Wax or other polishes are unnecessary and should not be used.

Scratches and Cuts

Chopping and cutting directly onto the surface can damage Laminex surfaces. To prevent this from happening, use a cutting or chopping board. Sliding of heavy objects can cause scuffing of the surface. Residents will be charged for replacement of the surface if severe cuts and scratches occur.

Residents are asked not to remove from their unit any item or equipment that has been provided by UniLodge.

Microwave Oven

Your unit is provided with a microwave oven located in the kitchen. The microwave is connected to a 240V single-phase electric power supply.

Mirrors

The manufacturer recommends gently wiping with a damp, lint-free cloth.

Refrigerator

Your unit is provided with an electric refrigerator connected to a 240-volt electric power supply. On arrival check that the fridge is plugged in and switched on, you may need to adjust the cooling setting within the refrigerator. To be effective the refrigerator should be constantly left on. If you are living in a 5-bedroom apartment, please be mindful of your roommates and only use your allocated space.

Roller Blinds

You will find a chain on the side of the window or sliding door. Pull the chain gently and smoothly from directly underneath to either raise or lower your window blinds. Should you pull the chain off, it will be at your cost to have it re-attached.

Smoke Detector

Your unit has been installed with a smoke alarm. Generally, they are located on the ceiling in the living/bedroom areas. Each one is connected to a 240V power supply via your unit switchboard. **If you attempt to tamper, cover or remove your smoke alarm you may be fined in excess of \$3,000 by Melbourne Fire Brigade.**

Stains – Removing Stains

DO NOT use any powders or abrasive liquid cleaners. A light application of METHYLATED SPIRITS or cleaning liquid that does not contain solvents can be used.

Tiled Surfaces

Do NOT clean the tiles with ACID or with any abrasive materials.

Do NOT place potted plants directly onto tiled balconies – remove any residue immediately before staining occurs. Use specifically designed tile-cleaning detergents only.

Walls

Hanging items on the walls

Please be very careful of what you stick onto the walls. The walls could become damaged or chipped if care is not taken, and a charge will apply if this does occur. You can buy special hooks from Supermarkets or Hardware Stores, which are designed not to damage the walls once removed; however, there is no guarantee that damage will not occur. These are 3M Brand adhesive/ removable hooks. Please ensure you remove these hooks at the end of your tenancy. Any damage caused as a result of removing these hooks will be your responsibility and repair will be at your cost. No sticky tape is to be used. No blue tack is to be used as it can damage the walls.

UniLodge will provide residents with emergency assistance in the event of:

- Personal, physical or mental emergencies (e.g. theft, assault, harassment, vandalism, lost and found items, accidental or self-inflicted injury or medical condition)
- Build infrastructure emergencies (e.g. fire or storm damage)
- Maintenance emergencies (e.g. loss of power, loss of heating, flooding due to plumbing blockages or breaks, malfunctioning locks, damage to doors or windows)
- Tenancy rule breaches (e.g. excessive noise, trespassing, other disturbances)
- Lockouts – where a resident lock themselves out or misplaces their key

Assembly Location Point - Evacuation

If you are instructed to evacuate the building, make your way to the nearest **FIRE EXIT** and continue down the stairs to Ground Level. Please assemble at the corner of Wreckyn Street and Courtney Street (as outlined in the Evacuation Diagrams throughout the building) and await further instructions from the UniLodge staff. Before re-entering the building please wait until instructed to do so by the fire department authority and/or UniLodge staff, as it may not be safe to automatically re-enter the building.

Fire Sprinklers and Smoke Detectors

Never cover or attempt to remove the smoke detector in your room as these are connected to the main fire alarm system and these actions may cause a system fault and or a false alarm. In the event of a false alarm that is caused by interference with a smoke detector, the Metropolitan Fire Brigade has within its powers to levy fines and commence prosecutions (current fines exceed \$3,000). You may also be responsible for the cost of repairs to the system that this damage may cause.

In the event of excessive cooking fumes in your unit that cause your alarm to activate (without a fire) please do not attempt to clear these into the building common areas as this will automatically call the Fire Brigade who have it within their powers to levy fines for “False” Alarms

****False Alarm Callouts by Metropolitan Fire Brigade can exceed \$3,000 fees for you to pay!!!**

Please open your windows and “fan” the fumes away from your detector which will then cease its alarm once clear. **DO NOT OPEN YOUR MAIN DOOR TO RELEASE FUMES**

Each kitchen is fitted with a Smoke Alarm.

In the event of a fire you should always remove yourself and others (if safe to do so) from the immediate danger closing the doors behind you

The building has fire rated doors and advanced systems for your safety

DO NOT TOUCH THE SMOKE DETECTORS AND SPRINKLERS

DO NOT HANG COAT HANGERS THROUGH THE SPRINKLER DEVICE

Touching the sprinkler head may result in it being activated causing hundreds of litres of water to gush into your unit, which will flood not only your unit but also those below. Severe damage costs will be imposed upon anyone who interferes with a fire sprinkler or a smoke detector!

In the event of Fire

- Assist any person in immediate danger only if safe.
- Close doors to stop oxygen fuelling the fire.
- Call the Fire Brigade (000).
- Attack fire if safe to do so.
- Evacuate to assembly area using the stairs, assist anyone else, only if safe to do so.
- Remain at assembly area and await all clear or roll call.

REMEMBER: DO NOT USE LIFTS IN A FIRE EMERGENCY

Overseas Student Health Cover

International Students on a study visa must have Overseas Student Health Cover (OSHC). Your OSHC is usually for a six- or twelve-month period. On arriving in Australia, you will need to confirm your OSHC with the Insurance Company and complete an Application for OSHC. Residents will be required to present their Confirmation of Enrolment form as proof of their status.

If you allow your membership to lapse, the company may notify the Department of Immigration, which could result in your student visa being cancelled.

- You must renew your cover each time you re-enrol to study or every 12 months. To do this you will need your membership card, passport and a letter from your college, university etc. confirming your re enrolment.
- Under OSHC you are covered for accommodation and/or treatment in Public Hospitals. This applies whether you need to stay in hospital or are a patient at the hospital's outpatient clinic or in the emergency/casualty department.
- Your OSHC does not cover ambulance, dental, pharmaceutical, glasses and/or contact lenses. If you or your parents want you to be covered for these items, you will be required to pay extra for this type of insurance cover.

IN CASE OF AN EMERGENCY DIAL 000

Please note that ambulance services in Australia are very expensive and ambulance insurance cover is recommended.
