SETTLING IN

Most students coming from overseas experience a certain amount of ‘culture shock’.

The people, the weather, the food, and the buildings may be new and it may take you a little time to get used to your new surroundings.

Many new students, including Australian students, are living away from their family and friends for the first time so we encourage you to become involved in our **Residential Life**, so that you will make new friends and begin to feel more “at home”.

If you are having difficulty settling in, our staff are here to help you! We also have many students from different countries that are going through the same experiences as you.

Please come and see us if only for a chat! UniLodge wants your stay to be a happy and prosperous one.

WE CARE ABOUT YOU!

UniLodge strive to provide community based support. One of the big advantages of living in a community is that there is always someone to help. Do not keep your worries to yourself – the sooner we get on to them, the sooner we can help you to resolve the problem. Confidence is kept, and you can be assured of a sympathetic ear, regardless of the size or nature of your problem.

New residents often experience difficulty adjusting to:

- The transition from school to tertiary/university life
- A different education system and different demands
- Living away from home, and fending for themselves
- Being away from the support of family and friends
- Settling into city life, a new state or a new country
- Language barriers
- Life style and culture changes, this may come as a shock, and may include:
 - Finding their way around i.e. transport, clubs, churches etc
 - Basic establishment tasks e.g. bank accounts etc

UniLodge staff are here to assist you with all these issues and more. Feel free to pop into Reception and we will be happy to give you the information you need.

Anyone affected by illness, accident or death of a relative, should talk to the Customer Service Manager or General Manager. If necessary we can refer you to the appropriate counsellors for further support. We’re here to help in any way we can.

UniLodge is proud to offer a pastoral care network. When you join our community you will find there is always something to do and someone to talk to.

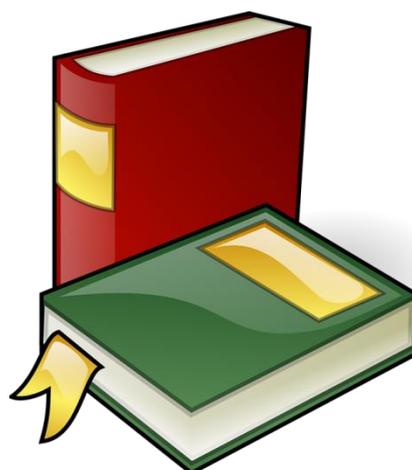

Our Residential Advisors (RA) are available during the night however, they are always available for a chat and to offer advice and sometimes referrals to other services.

Connecting you to services, people and places is just one of the important roles to play here at UniLodge. So whether you want to connect with other residents, the local community or just want to know the best places to “hang out” we can help you.

We want to assist you wherever possible to fit into your home away from home as quickly, safely and securely as possible so you can get on with the job of studying and enjoying your time here.

Academic Support

If you have an academic problem, talk to us as soon as it arises – don't leave it until it is too late! Should you be experiencing any concerns regarding course and subject selection, preparation for examinations, dealing with tutors and lecturers, applying for special consideration due to sickness or family troubles, we can help to refer you to the relevant department or faculty that will be able to address any issues. As a resident you will experience differing levels of stress at various times, particularly around examination time. We are here to provide a climate in which you can maximise your academic achievements. If you are experiencing noise related problems that are affecting your study, please advise us immediately by calling the RA on duty.

RESIDENTS MUST ALWAYS BE TOLERANT OF OTHER RESIDENTS' STUDY HABITS.

YOUR AGREEMENT WITH US

Condition Report

At the commencement of the Licence to Occupy, an Entry Condition Report will be completed and signed by both the Resident and a UniLodge representative. This Condition Report will be used at the end of your occupancy to assess any damage to the unit, its furniture and equipment.

The completed Condition Report must be **returned to the office within 48 hours** of your arrival. Failure to do so will result in the Entry Condition Report forming the basis for any security deposit claims at the end of your occupancy.

Security Deposit

The Resident is required to pay a Security Deposit. This is held on behalf of the owner of the apartment which is equivalent to four (4) weeks occupancy fee.

The Security Deposit is then held on the Resident's behalf for the term of the occupancy and for any further period in which the Resident may occupy the apartment.

The Security Deposit cannot be used for the occupancy fees and the Resident is prohibited to use the deposit for any purpose other than as a deposit to be used to reimburse any costs incurred at the end of your occupancy. The cost of repair or excessive cleaning may be deducted from the Security Deposit unless other arrangements are made.

Please be aware that a compulsory Departure Cleaning Fee (for basic cleaning only) is payable at the beginning of your occupancy. Any additional cleaning needed over and above a basic clean will be deducted from your Security Deposit. We will be in contact before this deduction is made.

Immediate Eviction

The UniLodge Rules of Occupancy promote tolerance, courtesy and care for others and the different needs within the community. If any resident chooses to ignore or transgress these guidelines, he/she shall receive written warnings from the UniLodge Customer Service Team/management. Residents, who have received warnings and continue with unacceptable behaviour, will be issued with an immediate eviction notice.

In addition to the termination provisions, immediate eviction will be given to any Resident who:

1. Is found to be carrying, using or distributing illegal drugs or other illegal substances.
2. Is found to have seriously or persistently intimidated, threatened, harassed, abused or discriminated against another person, Resident, staff member or authorised agent of UniLodge Ultimo - Sydney; or caused or permitted any such threats, abuse or conduct (whether or not any abusive language or threat has been directed towards the person).
3. Is found to be involved in the sexual/physical abuse of another Resident, staff member or person.
4. Is found to be involved in theft of another person's property.

These practices are against the law. Residents must note that these practices lead to immediate expulsion and possible prosecution.

Termination of Licence to Occupy

A Licence to Occupy may be terminated if:

1. The Resident fails to pay the Occupancy Fee within three days from the date upon which it was due. The Resident fails to pay other outstanding expenses for seven days after receiving their account. Eviction notice will be issued with a 7 day notice period.
2. The Resident permits or allows any breach or fails to comply with the Terms and Conditions of the Licence to Occupy or Rules of Occupancy.
3. The Resident resorts to or takes advantage of any law for the protection of insolvent people, becomes bankrupt or commits an act of bankruptcy.

At the termination of a Licence to Occupy all the Resident's personal property must be removed. Any property left in the apartment will be disposed of in accordance with term 7.8 of the Licence to Occupy.

In all cases, a departure cleaning fee applies.

Cancellation of confirmed booking prior to arrival:

The payment of the first month's rental and other upfront charges is required in advance of your arrival and to secure the booking. This is on a non-refundable basis. Only in special circumstances (with appropriate support documentation) would a refund be considered, subject to the Residential Tenancies Act 1997. In such an instance a cancellation/administration fee equivalent to one week's rental plus GST will apply.

Disciplinary Action

We would always attempt to resolve any issues by mutual consent. However, your occupancy is under NSW Law where there are responsibilities for both parties. The steps that may be taken are:

- We will discuss the issue with you face to face explaining how it may be resolved. A note will go on your file.
- A caution letter depending on how serious the issue, maybe issued to you with a copy on your file.
- A Breach Notice, explaining what part of the Licence to Occupy has been breached providing an opportunity and timeframe to rectify.

OPERATING AND CARING FOR YOUR UNIT

Departure Cleaning

Your unit has been professionally cleaned and fitted with new mattress protectors prior to your arrival and as a condition of your lease you must leave your premises in the same condition as when you entered them. To take some of the stress out of your exit process, UniLodge has been able to assist and recommend a cleaning company that delivers a service that we believe is of a very high standard which meets our expectations.

Glass and Aluminium

Please note the following suggested points for the care and maintenance of the glass in your apartment.

WHAT NOT TO DO

- Do not store or place items in contact with the glass (this can damage the glass or create a heat trap leading to thermal breakage).
- Never use abrasive cleaners on glass. Scouring pads or other harsh materials must not be used to clean windows or other glass products. Powder based cleaners are to be avoided.
- Avoid causing extreme temperature changes as this may lead to thermal fracture of the glass (i.e. Do not splash hot water on cold glass, or freezing water on hot glass). Some tapes or adhesives can stain or damage glass surfaces. Avoid using such materials unless they are known to be easily removed.

Heating

The apartment is air-conditioned with heating (and cooling). At no time should these outlets be covered, or obstructed in anyway.

Joinery Items

Cleaning

A wipe over with a clean, soft damp cloth should be sufficient to keep all Laminex surfaces clean. Soiled surfaces or light stains are best removed with warm soapy water or with a common detergent, such as Mr. Muscle, Nifty Solvent or bathroom cleaner. Wax or other polishes are unnecessary and should not be used.

Scratches and Cuts

Chopping and cutting directly onto the surface can damage Laminex surfaces. To prevent this happening, use a cutting or chopping board. Sliding of heavy objects can cause scuffing of the surface. Residents will be charged for replacement of the surface if severe cuts and scratches occur.

Residents are asked not to remove from their unit any item or equipment that has been provided by UniLodge.

Microwave Oven

Your unit is provided with a microwave oven located in the kitchen. The microwave is connected to a 240V single-phase electric power supply.

Mirrors

The manufacturer recommends gently wiping with a damp, lint-free cloth.

Refrigerator

Your unit is provided with an electric refrigerator connected to a 240 volt electric power supply. On arrival check that the fridge is plugged in and switched on, you may need to adjust the cooling setting within the refrigerator. To be effective the refrigerator should be constantly left on. If you are living in twin apartment, please be mindful of your roommate and only use your allocated space.

Roller Blinds

You will find a chain on the side of the window or sliding door. Pull the chain gently and smoothly from directly underneath to either raise or lower your window blinds. Should you pull the chain off, it will be at your cost to have it re-attached.

Smoke Detector

Your unit has been installed with a smoke alarm. Generally, they are located on the ceiling in the living/bedroom areas. Each one is connected to a 240V power supply via your unit switchboard. **If you attempt to tamper, cover or remove your smoke alarm you may be fined in excess of \$1,800 by NSW Fire Brigade.**

Stains – Removing Stains

DO NOT use any powders or abrasive liquid cleaners. A light application of METHYLATED SPIRITS or cleaning liquid that does not contain solvents can be used.

Tiled Surfaces

Do NOT clean the tiles with ACID or with any abrasive materials. Do NOT place potted plants directly onto tiled balconies – remove any residue immediately before staining occurs. Use specifically designed tile-cleaning detergents only.

Walls

Hanging items on the walls

Please be very careful of what you stick onto the walls. The walls could become damaged or paint removed if care is not taken, and a charge will apply if this does occur. You can buy special hooks from Supermarkets or Hardware Stores, which are designed not to damage the walls once removed; however, there is no guarantee that damage will not occur. These are 3M Brand adhesive/removable hooks. Please ensure you remove these hooks at the end of your tenancy. Any damage caused as a result of removing these hooks will be your responsibility and repair will be at your cost. No sticky tape is to be used. No blue tack is to be used as it can stain.

Overseas Student Health Cover

International Students on a study visa must have Overseas Student Health Cover (OSHC). Your OSHC is usually for a six or twelve month period. On arriving in Australia you will need to confirm your OSHC with the Insurance Company and complete an Application for OSHC. Residents will be required to present their Confirmation of Enrolment form as proof of their status.

If you allow your membership to lapse, the company may notify the Department of Immigration, which could result in your student visa being cancelled.

- You must renew your cover each time you re-enrol to study or every 12 months. To do this you will need your membership card, passport and a letter from your college, university etc. confirming your re enrolment.
- Under OSHC you are covered for accommodation and/or treatment in Public Hospitals. This applies whether you need to stay in hospital or are a patient at the hospital's outpatient clinic or in the emergency/casualty department.
- Your OSHC does not cover ambulance, dental, pharmaceutical, glasses and/or contact lenses. If you or your parents want you to be covered for these items, you will be required to pay extra for this type of insurance cover.

IN CASE OF AN EMERGENCY DIAL 000

Please note that ambulance services in Australia are very expensive and ambulance insurance cover is recommended.

For more information on ambulance cover go to the NSW Ambulance website
