Rest assured we are here to facilitate a smooth transition and manage the rhythms of the academic year in a safe and supportive residential setting.

All our team are aware that you are here not only to enjoy yourself but also to study, and we understand that at times you will be under pressure to complete assignments. We will embrace diversity and similarities to produce a tight-knit and vibrant community, one in which we have confidence you will be able to make lifelong friendships and memories.

Most of the information in this handbook is based on common sense and already been explained during your initial sign-up process. Our requirements and rules ensure the COMFORT, SAFETY and SECURITY of all students.

We hope that this handbook will also prove useful in answering any questions and in assisting you with the most common issues that may occur. We have team members on duty 24 hours a day, should you not find the answer you are looking for here, please give us a call.

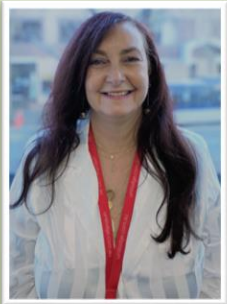

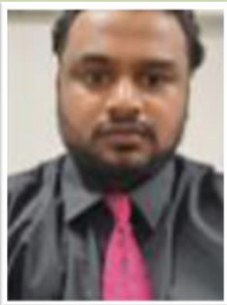

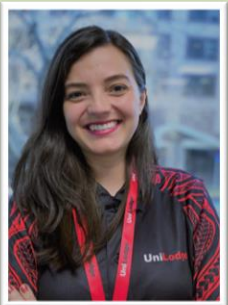

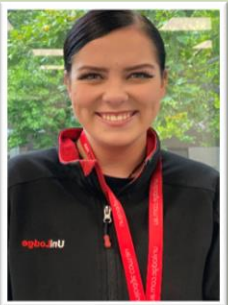

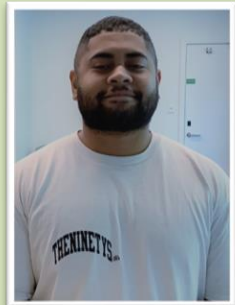

This handbook is applicable to all residents regardless of your Tertiary education provider, and it is important to note that all residents are applicable to this guide and the AUT Discipline Statute.

The Te Āhuru - Mayoral Drive Student Accommodation team wants to develop an atmosphere that provides students with the greatest opportunity to maximise their success, enjoyment and experience from their time studying in Auckland.

13. Emergency Plans

a. Safety, Security and Fire

Please ensure external doors are shut behind you after you come in. This is for the safety of you and your peers.

- i. To protect your belongings, it is crucial that you lock your door and windows whenever you are away from your room (even if just for a short time). It is also advisable that you lock your bedroom when you go to bed at night.
- ii. Cleaners will lock your room once they have cleaned it, regardless of whether it was locked when they entered it.
- iii. Fire safety requirements strictly prohibit the burning of candles or incense in the Hall buildings.

All rooms are fitted with sensitive smoke alarms that can be set off by deodorant spray, hair straighteners and burnt toast, for example:

- iv. Any fire callout caused through resident carelessness will be charged to the resident responsible.
- v. Fire Exits MUST NOT be used unless in an emergency. Any use will sound an alarm.
- vi. Students must not cover smoke detectors or sprinklers in their rooms.

Tampering with fire equipment/ lifesaving systems may result in cancellation of your residential contract.

b. Fire Alarms

It is a requirement that all students residing at Te Āhuru - Mayoral Drive Student Accommodation know the fire evacuation protocol. Staff will reinforce procedures at the start of the year. In the event of a fire alarm, leave the door of the room you are in unlocked but closed and close your window if safe to do so. Calmly exit the building through the nearest emergency exit (know where the nearest emergency exit is). Assemble point and congregate with the members of your floor. A roll call will be taken promptly.

- i. Do not re-enter a building with an alarm sounding once you have evacuated.
- ii. Alert duty staff if anyone is sick and room bound, or needs assistance exiting a building.
- iii. If you know that someone is out of Residence, tell your RA or a senior staff member.
- iv. Please do not leave the evacuation area until the "all clear" has been given.

c. False Alarms

False fire alarms form the bulk of NZ Fire Service callouts. Each one has a cost to the taxpayer and Te Āhuru - Mayoral Drive Student Accommodation. Whether accidental or malicious, there are circumstances where this can be charged to the individual who set it off. Some common activators of false alarms include touching/tapping or knocking a detector in any way, steam from hair dryers and straighteners, excessive use of alcohol-based sprays and aerosols, smoke from overcooked food.

DONT BURN POPCORN!! if you do, open it outside.

d. Lockdown

In the rare event of a Hall lockdown

Remain indoors, draw curtains if can, keep away from windows, out of sight and low to ground, turn off lights, lock and barricade door, stay quiet but alert, put cell phone on silent, calm breathing, await instructions and all clear. If possible, all key access will be suspended until lockdown has been cleared.

Make sure you have download the AUT App for instant notifications in event of emergency.

e. Emergency Preparedness

You should be prepared for an emergency. It is recommended that all residents have a small personal emergency kit that is kept in their room, containing the following.

- i. Emergency contact details
- ii. Torch and spare batteries
- iii. Sturdy pair of shoes
- iv. Medications
