WE CARE ABOUT YOU

Settling In

Most Students coming from overseas to live and study in a new country experience a certain amount of 'culture shock'.

The people, the weather, the food and the buildings will be new and may even seem different in the beginning. It may take you a little time to get used to your new surroundings, and a feeling of homesickness or loneliness is not unusual.

There are many different nationalities represented at UniLodge. If you are having difficulty in settling in or with the language, we are here to help you. We have a number of students from various countries here to help you settle in. These students may have at some stage during their early days here also experienced loneliness or homesickness.

Please come and see us if only for a chat. UniLodge wants your stay to be a happy one. We want you to achieve your goals, but to also gain self-reliance, confidence, abilities and resourcefulness.

Your Shop

UniLodge Residents don't have to worry about bringing sheets, pillows, pots or pans, and electrical appliances with them - our online shop, Your Shop is a fabulous way to ensure that everything you need is sitting ready and waiting when you arrive, and available for purchase throughout your stay with us at UniLodge.

Here's what one of our current Residents had to say about Your Shop:

"I am satisfied with my product. It was very good value for money, & having everything already in my apartment when I moved in was a great relief." – Tom, UniLodge @ ANU

Offering a great variety of products, our prices are highly competitive and certainly comparable to High Street shops and supermarkets in Australia, and Residents have compared the quality of our linen to that of a 5 Star Hotel!

Visit <http://unilodge.com.au/shop/> now and order today!

COMMUNICATION

Our staff

UniLodge strive to provide community based support. One of the big advantages of living in a community is that there is always someone to help. Do not keep your worries to yourself - the sooner we get on to them, the sooner we can help you to resolve the problem. Confidences are kept, and you can be assured of a sympathetic ear, regardless of the size or nature of your problem. New Residents often experience difficulty adjusting to:

- The transition from school to tertiary / University life
- A different education system, and different demands
- Living away from home, and fending for themselves
- Being away from the support of family and friends
- Settling into city life, a new state or a new country
- Language barriers
- Lifestyle and culture changes, this may come as a shock, and may include:
- Finding their way around i.e. transport, clubs, churches etc
- Setting up bank accounts

UniLodge staff members are here to assist you with all these issues and more. Feel free to pop down to our office and we will be happy to give you the information you need.

Anyone affected by illness, accident or death of a relative, should talk to the Manager at the office. If necessary we can refer you to the appropriate counsellors for further support.

Balanced Timetable

Residents need to work out a balanced timetable for themselves, one that will allow the work to be done, but without excluding participation in extra-curricular activities. Your time at University should be one in which you are prepared to move out of some of your routine patterns of experience, to discover new interests and talents - academic, religious, sporting, cultural or social. But do not spend too much time on any one activity, to the exclusion of others - and remember that study should be your first priority, and not left for the last week before examinations.

Financial Problems

If you are experiencing any financial difficulties, please speak to the Manager at the Office. Often these difficulties can be managed with a financial plan. In addition, Universities have their own Student Financial Service Unit usually managed by a Students Services department.

Personal Problems

Do not be afraid to confide in the appointed UniLodge specialist staff to discuss any personal issues that are getting you down, they are here to support you and provide guidance, assistance and referral where necessary. Our staff also has relations with University provided counsellors (for University students) or community provided health specialists, should you require specialist support.

Privacy

Your privacy is important to us. Should you wish to discuss any matter in private, please ask. All matters discussed will be kept confidential.

Sexual Harassment

Sexual Harassment is acting against Australian legislation and occurs where:

- a person subjects another person to an unsolicited act of physical intimacy;
- makes an unsolicited demand or request (whether directly or by implication) for sexual favours from the other person; or
- makes a remark with sexual connotations relating to the other person; or
- engages in any other unwelcome conduct of a sexual nature in relation to the other person;

And the person engaging in the conduct described above does so:

- With the intention of offending, humiliating, or intimidating the other person; or
- In circumstances where a reasonable person would have anticipated the possibility that the other person would be offended, humiliated or intimidated by the conduct.

UniLodge Student Living is a friendly and supportive community, and it is expected that members will be pro-active in ensuring that it remains so. Any member of UniLodge Student Living who indulges in **any** form of discrimination or sexual harassment will be asked to leave.

The Anti-Discrimination Act makes discrimination unlawful on grounds including: **gender, race, age, sexual preference, physical, religion, political belief or activity**. If you think you have been subjected to any form of discrimination please contact the Manager at the office and the appropriate steps will be taken.

Study Problems

If you have an academic problem, talk to us as soon as it arises - don't leave it until it is too late! If you are experiencing any concerns regarding course and subject selection, preparation for examinations, dealing with tutors and lecturers, applying for special consideration due to sickness or family troubles, we can help to refer you to the relevant department or faculty that will be able to resolve any issues. As a resident you will experience differing levels of stress at various times, particularly around examination time. We are here to provide a climate in which you can maximise your academic achievements.

Residents must always be tolerant of other resident's study habits.

If for any reason you require a translator please contact the office and we can arrange for assistance.

Eviction

UniLodge Rules of Occupancy promotes tolerance, courtesy and care for others and the different needs within the community. If you choose to ignore these guidelines, you shall receive written warnings from UniLodge Management. Residents who

have received warnings and continue with unacceptable behaviour will be issued with a Notice to Leave and an application will be made for eviction.

In addition to the termination provisions, Notice to Leave will be given to any resident who is found to be:

- Carrying, using or distributing illegal drugs or other illegal substances
- Involved in the harassment of or discrimination against another resident, staff member or person
- Involved in the sexual/physical abuse of another resident, staff member or person
- Involved in theft of another person's property

These practices are against the law. Residents must note that these practices lead to immediate eviction and possible prosecution.

Under 18 Tenants

UniLodge provide much more than just 'accommodation' for our Under 18s. Along with a happy, safe and comfortable community environment, UniLodge provides an extra level of special care for our Under 18s. In support of our Under 18s program, UniLodge have implemented a solid operating platform of processes and procedures, staff training and development, all of which underpin the delivery of this niche service offering.

UniLodge has a solid understanding of the legislation in relation to accommodation for Under 18 year old student Residents and delivers a service which meets the heightened duty of care and ensures the safety and wellbeing of our Under 18s. For all Under 18s, the agreement must be signed by their parent or a legal guardian. To ensure their safety all Residents (under 18's) must sign-in at reception nightly prior to 10.00pm. After signing in they are not to leave the building.

Our staff then check that all Residents are in house and anyone who has not signed in is followed up to ensure that it is a simple oversight and that they are safe and secure within the building. Under 18 Residents are only permitted to be absent from the building overnight with the prior written consent of the Parent/Guardian. To ensure that we obtain all relevant details we ask that Parents/Guardians complete our **Overnight Absence Form**, stating the number of nights of absence and providing emergency contact details.

BREAKING THE RESIDENTIAL AGREEMENT

The Residential Tenancy Agreement is a legally binding document, which if broken will incur penalties. Where a resident believes that they cannot stay in the apartment or continue to pay the rent, they must notify UniLodge management as soon as possible.

When considering prematurely terminating your Residential Tenancy Agreement, it is your responsibility to do the following:

- Continue to pay the rental payments for the remainder of the agreement or until the apartment is re-let plus a portion of the letting fee, calculated according to the Residential Tenancies Tribunal formula.
- You may help in finding another suitable person to take over your apartment so there is a continuation of payments to the apartment owner.
- In all cases a departure cleaning fee applies

You have entered into a legally binding agreement and you are responsible for the payment of the rent under this agreement for the agreed term. UniLodge reserves the right to seek recovery of these monies should you fail to meet your legal requirements. We have the resources to recover monies owed to us outside of Australia.

UTILITIES

You need to pay for your electricity (excluding Kent Town), internet usage and some properties need to pay for water usage (Edge). Depending on the building you live in, you may need to connect your utilities yourself. We can assist you with this through using a company called On The Move. Please ensure that you pay this bill within 14 days. The amount you pay for your utilities fee will vary depending on what electrical appliances you use and whether you live alone or share an apartment. You may have to share a utility account with others in your apartment and we ask that you fully co-operate with your room-mates in paying bills promptly.

- Non-payment of bills may lead to a termination of the lease.
- If required, there may also be charges for cleaning and repairs. Invoices must be paid within 14 days.

REFUND POLICY- DEPOSIT & ADVANCE RENT

Refunds

If an applicant has fulfilled all obligations as defined by UniLodge but the offer of accommodation at UniLodge is withdrawn, or if UniLodge Management is unable to provide accommodation in accordance with our obligations, all advance Rent instalments will be fully refunded. However, while we will try to offer applicants the rooms or apartments of their choice, this may not always be possible. If applicants are offered similar alternative accommodation within the same UniLodge facility before commencement of their lease or upon their arrival, but wish to decline this offer, a cancellation fee may apply.

If your application has been accepted and you have paid your deposit of 2 weeks rent and you change your mind, then you are not entitled to a refund. Once the deposit has been received, this is taken as confirmation that you will move into that room and sign the lease that has been offered.

No refund

In the event of a resident being evicted for whatever reason, the resident will not be eligible for refund of any rent paid until another resident is found.

At the end of a Residential Tenancy Agreement, where damage has been caused to UniLodge property and the Security Deposit is not enough to cover the cost of rectification, the Security Deposit will be claimed and the resident will remain liable for any additional costs.

Where a resident breaks a Residential Tenancy Agreement without cause, the resident is not eligible for any refund or advanced rent until another resident is found.

EMERGENCY PROCEDURES

Assembly Location

If you are instructed to evacuate the building, make your way to the nearest FIRE EXIT and continue down the stairs to Ground Level. The evacuation plans are on the back of the door of your apartment.

Example Fire Plan:

**DO NOT USE THE LIFTS IN ANY FIRE EMERGENCY
IN CASE OF AN EMERGENCY DIAL 000**

Fire Alarm

- Turn off all electrical/gas appliances
- Check your apartment for smoke and fire
- Close your apartment door and proceed to the nearest fire exit, checking for smoke and fire
- Assist any person (only if safe)
- Evacuate to assembly area – as directed
- Remain at assembly area and await roll call
- Listen to ALL directions from Emergency Services Personnel

Fire Sprinklers & Detectors

Your Apartment is fitted with smoke detectors and sprinklers

- The smoke detectors and fire sprinklers are connected to a fully automatic fire alarm.
- Any interference with any smoke detector or fire sprinkler is a serious breach and will incur severe fines and will put everyone else in the building at risk.
- Any interference or alteration of any fire exit or fire door is also a serious breach and will incur severe fines.

- Do not leave your apartment door open when cooking or boiling water, as the steam may activate the alarm, automatically calling the Fire Brigade. You will be liable for any costs incurred for the attendance of the Fire Brigade should the cause be identified to have been your fault.

**DO NOT TOUCH THE SMOKE DETECTORS OR FIRE SPRINKLERS
DO NOT HANG ANY ITEM ON ANY SPRINKLER DEVICE**

Touching the fire sprinkler may cause the sprinkler to activate sending hundreds of litres of water into the area, which will flood your apartment and those below. Severe damage costs will be imposed on any person who damages a fire sprinkler.

Smoke Alarms and Fire Callouts

Every time there is a call out the tenant must pay the callout fee, currently approximately **\$900.00**.

It is important that you understand how the fire alarm works.

- Fan smoke detector with a book or paper to get rid of smoke
- Open all windows
- **DO NOT open your apartment door**
- Repeat the process until smoke is cleared and the alarm is silenced

PREVENTION is the best way not to have a false alarm!

When cooking a meal in your apartment please do the following:

- Pull out the exhaust fan above the stove top and have it set to high
- Open windows
- Put your air conditioner onto FAN so that it can circulate air through the apartment.
- If smoke starts to build up immediately stop cooking and clear the smoke before commencing cooking.

THE SMOKE ALARM WILL CONTINUE TO ACTIVATE IF THERE IS TOO MUCH SMOKE IN THE APARTMENT AND IT WILL BE TOO LATE TO STOP THE FIRE DEPARTMENT AND THEY WILL CHARGE YOU.

If we cannot correctly identify which tenant in a shared apartment caused the fire alarm, we will split the costs amongst all tenants unless somebody takes ownership of the false alarm.

Please also remember that it is an offence to cover smoke alarms or tamper with the sprinklers. You may be fined up to \$15,000 for doing this.

GENERAL BUILDING, FACILITIES AND RULES

Absent From Your Apartment

If you intend to leave your apartment for any length of time, please let us know via email the dates you are away, and an alternative contact if possible. You can send this to studentliving@unilodge.com.au. This will be kept on file should we need to contact you in an emergency. Please remember that your rent must still be paid on time if you are away – even better to pay your rent **before** you go. To avoid any unnecessary removal of goods where it is thought that the apartment has been abandoned, please ensure that you attend to all rental payments prior to going on holiday.

The regular cleaning of your common areas will assist you in maintaining a comfortable living environment. Any Item left out in any common areas will be thrown away into the rubbish.

CARING FOR YOUR APARTMENT

Aluminum And Stainless Steel Surfaces

Your apartment's kitchen sink is made of stainless steel and your apartment's window and door frames are made of aluminum. These are soft metals which will mark and scratch easily.

Care and maintenance: A kitchen sponge/cloth and dishwashing liquid should clean these surfaces adequately or alternately use a specialist kitchen/bathroom spray cleaner. DO NOT use scouring pads or abrasive powder based cleaners on any metal surface.

Carpet

Your apartment's bedroom and living room floor is fitted with carpet. Avoid spilling food and drinks on the carpet as permanent stains can occur.

Care and maintenance: Regularly vacuum all carpeted areas with the vacuum cleaner available. Should you mark or stain the carpet, advise our office so we can assist with the correct cleaning remedy. You may need to have the carpet cleaned at your cost.

Cooking In Your Apartment

Cooking is permitted inside your apartment and the range hood exhaust fans must be used at all times. Any cooking which triggers the smoke alarms resulting in the attendance of the Metropolitan Fire Brigade will be charged for all associated costs. Range hood filters should be cleaned monthly to ensure they run efficiently. If Smoke Detector triggers in your apartment while cooking open your balcony door or window in order to air the apartment. Do NOT open your apartment front door in order to air the apartment.

Cleaning & Inspections

You are responsible for the day to day cleaning of your apartment. UniLodge apartments will also be inspected from 2-3 times per year, or as required and permissible by the law. You will be given notice for routine inspections and are expected to ensure that the apartment is clean on the day of inspection. For extra help with cleaning please contact our office for details of our cleaners.

Kitchen Cabinets & Bench Tops

Your apartment's kitchen is made from laminated timber cupboards and bench tops. Chopping directly on the bench top or placing hot objects on the laminate will cause permanent damage. ALWAYS use a chopping board when cutting up food and DO NOT place hot objects on the bench top – it may burn and you will be held responsible.

Care and maintenance: Clean grime and spillages on the bench top and cupboards regularly to avoid staining and buildup of grime. Clean with a damp cloth and dishwashing liquid. You may prefer to use Spray & Wipe type products to clean your kitchen tops and cupboards.

Microwave Oven

Your apartment may be equipped with a microwave oven located in the kitchen.

Care and maintenance: Regularly wipe over the outside and inside of your microwave with a damp cloth and dishwashing detergent.

Mirrors & Glass

Your bathroom is fitted with either a wall mirror or mirrored vanity cupboard. The mirror glass is fragile and can break or shatter if not treated with care.

Your apartment windows are made of glass. Do not store or place items in contact with the glass as this may damage the glass or create a heat trap causing the window to break. Avoid extreme temperature changes such as splashing hot water on cold glass or cold water on hot glass as this may lead to thermal fracture of the glass.

Care and maintenance: Clean mirrors and windows with either glass cleaner such as Windex or a damp lint-free cloth. DO NOT use scouring pads or abrasive cleaners. If you find mould on the glass of your shower screen, a product called Easy Off Bam will get this off, and is available from all supermarkets. Ensure you follow the directions on the back of this product.

Refrigerator

Your apartment is equipped with an electric refrigerator. On arrival check that the fridge is plugged in and switched on; you may need to adjust the cooling setting within the refrigerator. To be effective the refrigerator should be constantly left on.

When you leave and the power is switched off, please leave the door slightly open otherwise it begins to smell.

Care and maintenance: Regularly wipe over the outside and inside of your refrigerator with a damp cloth and dishwashing detergent.

Television

Your apartment may be equipped with an LCD television. The remote control may require two new AAA batteries if operation fails.

Care and maintenance: Gently dust your television with a feather duster or dry soft cloth. Do not use chemicals on the screen.

Tiled Surfaces

Your apartment's bathroom and balcony/terrace (if applicable) is tiled. DO NOT place potted plants directly onto tiled balconies as staining will occur.

Care and maintenance: Clean tiled surfaces regularly as grime build-up is more difficult to remove the longer it is left. Mould will grow on grout especially in the bathroom if the tiles are not cleaned and the bathroom aired. Clean tiles with specially designed tile cleaning products available from supermarkets.

Smoke Detector

Your apartment has been installed with a smoke alarm. Generally, they are located on the ceiling in the living room/bedroom areas.

Care and maintenance: Not required. DO NOT cover or touch smoke detector or sprinkler. Fines will apply.

Vacuum Cleaner

You have been provided with a vacuum cleaner, and this is expected that you use this. If it starts to not do its job as well, do check if the bag needs replacing, or if it needs emptying before reporting to us that it is broken.

Vinyl Flooring/Tiling

Your apartment's kitchen area may be fitted with a timber look vinyl floor or tiles. While durable be careful not to scratch or mark flooring with sharp or hot objects.

Care and maintenance: Clean grime and spillages on the floor immediately to avoid staining and permanent damage. Clean with a damp cloth and cleaning liquid.

Walls

The walls in your apartment have a painted finish which can be damaged if you do not take care. Be careful of what you do in your apartment as the walls can become damaged & marked. If you need to stick items on the wall please use only special hooks from supermarkets or hardware stores, which are designed not to damage the walls when removed. These are called 3M Brand adhesive/removable hooks. DO NOT use sticky tape or blue tack.

Care and maintenance: Marks on walls can be removed by a gentle wipe with a damp clean cloth and mild cleaning liquid.

Window Roller Blinds

Blinds do need gentle care when using, as they break very easily.

Care and maintenance: Gently dust blinds with a feather duster or a clean damp cloth and water.

Overseas Student Health Cover

International Students on a study visa must have Overseas Student Health Cover (OSHC). Your OSHC paid is usually for a six or twelve month period. On arriving in Australia you will need to confirm your OSHC with the Insurance Company and complete an Application for OSHC. Residents will be required to present their Confirmation of Enrolment form as proof of their status.

If you allow your membership to lapse, the company may notify the Department of Immigration, which could result in your student visa being cancelled.

You must renew your cover each time you re-enrol to study or every 12 months. To do this you will need your membership card, passport and a letter from your college, University etc confirming your re-enrolment.

Under OSHC you are covered for accommodation and/or treatment in Public Hospitals. This applies whether you need to stay in hospital or are a patient at the hospital's outpatient clinic or in the emergency/casualty department.

Your OSHC does not cover ambulance, dental, pharmaceutical, glasses and/or contact lenses. If you or your parents want you to be covered for these items, you will be required to pay extra for this type of insurance cover.

Ambulance service in Australia is very expensive and ambulance cover is recommended.
