Your Destination Wedding Site

A celebration of this magnitude deserves more than a wedding day. Why not a long weekend, even a week - to share with family and friends? To be surrounded by the tranquil beauty of the Green Mountains, to revel in a place where the scenery is a little softer, the air cleaner and the memories of your unforgettable wedding day so incredibly bright.

Topnotch Resort is a favorite site for destination weddings, not only because of its beautiful location in Stowe, Vermont, but because it has a way of capturing your heart and soul. With the warm embrace of staff who greet you, and treasure you like family. With wonderful food made with local, organic ingredients. And with so much to do - skiing, tennis, hiking, biking, golf - and lots of great experiences - sleigh rides, fly fishing, children's activities and some of the best spa treatments in the country. Here, a Vermont destination wedding becomes a one-of-a-kind celebration of family and friends with Vermont modern style and flair.
