

## Location

The refurbished Hotel Presidente, located in the heart of the city in front of the Bay, 7 km from the International Airport 4 de Fevereiro, offers the most fascinating views of Luanda as well as easy access to points of interest at the Angolan capital, making this hotel the ideal location for your next business or leisure stay.

## Accommodation

The hotel has 264 rooms including a Presidential Suite, located between the 6th and 26th floor, with panoramic views of the Bay of Luanda and the city or overlooking Cape Island and the Port of Luanda. The design and style of the hotel promote comfort, the different areas offer ideal conditions for complete relaxation with an inspiring view on the background. The guestrooms and suites at the Hotel Presidente are equipped with modern facilities to provide you with a memorable stay.

## Baía Bar

2013 marks the year of the inauguration of our bar on the 8th floor of Hotel Presidente and from that moment Luanda has had the perfect place for a get-together of friends and business partners. The view is breathtaking and the flavors are intense - The Bay already deserved a bar like this and so do you...

## Porto Mare space

The Porto Mare space, which is an extension of the restaurant and bar, on the 8th floor of the hotel, is the ideal place for your private event, where we can serve a buffet style or set menu meal, cocktail, coffee break, a meeting or even a piano concert - always with the Bay of Luanda as a unique setting.

## Presidente Restaurant

The new Presidente restaurant plays an important role in the culinary world of the Angolan capital. It guarantees an unforgettable experience that results from the most sophisticated combinations of flavors, textures, aromas and colors that feed the body and soul and invite you to return to this special place. From the blue of the sea to the blue of the sky, comes the freshness and lightness of unique moments that deserve a celebration. You will find an interesting wine list and cocktail menu chosen to complement every occasion and satisfy the most selective wishes. It is undoubtedly a place of worship for all lovers of culinary talents and the art of hospitality.

## Meeting rooms

The hotel offers five brand-new multifunctional meeting rooms with a maximum capacity of up to 100 people. The rooms are equipped with the latest technical equipment, soundproofed and have inspiring views of the Port of Luanda. New spacious common areas have natural daylight but prepared for complete blackout. The new spaces allow for great versatility, as to the capacity and the type of events to organize. You will find a dedicated team with vast experience in the field of organizing events. We make your event an example of success.

## Wellness

At Hotel Presidente Luanda you can really live the "healthy mind in a healthy body" to the maximum by choosing the time most suitable for you to work out. A quiet space, illuminated by natural daylight, combined with dedication to well-being, the room is equipped with cardio, fitness and bodybuilding equipment, sauna and steam room. Come and take care of yourself.

The extended hours from 06h00 to 21h30 allow you to manage your work day in an organized manner, leaving you enough time to schedule some time for yourself.

## Outdoor Activities

Several partnerships have been established so that you can enjoy Angola as much as possible and experience the true african adventure. Visit the magnificent waterfalls of Kalandula, Serra da Leba near Huila, go on the jeep safari and discover thousands of miles of unexplored beaches. Wide offer of adventure activities: fishing, nautical sports on the Mussulo Island, surfing in the warm waters of Cabo Ledo, bird watching, visits to national parks. There are many ways to discover and live the beauty of Angola.
