

# CLUB MYKONOS DONATES TO LOCAL CHILDREN'S HOME

9 April 2018: As part of its ongoing Social Investment Initiatives, Club Mykonos Resort donated blankets to local Child and Youth Care Centre, Huis Van Heerde, in Moorreesburg. Chester the donkey also joined the festivities and delighted the children with tasty Easter eggs and warm blankets for the winter season.

Huis Van Heerde Children's Home accommodates 70 children from birth to 18 years old, and is dependent on the provision of a State subsidy and the donations received from the community. Each child placed at Huis Van Heerde has an individual development plan which focuses on the strength and developmental areas of every

child. Club Mykonos would like to extend their gratitude to Huis Van Heerde, and commend the staff members for the enormous contribution and support they provide to these children's physical, emotional and educational needs. 'We hope to be part of more initiatives like this in the future, where we can stand

together as a community and provide support to these children in need', says Jonathan Kilroe-Smith, General Manager of the property.
