

THE PERFECT SPOT ON THE CENTRAL COAST OF NSW.

The Entrance has been a very popular destination for many people since the first guesthouse was established in 1885. The layout of the town lends itself beautifully for family strolls, with a string of wonderful alfresco cafes and restaurants, parks and entertainment.

As a tourist destination, The Entrance is a huge success gauged by the tens of thousands of people who visit there annually to enjoy the magnificent beaches, superb water views, excellent fishing, and soft sea breezes and sought after temperate climate.

Nesuto The Entrance is a pleasant 5 minute walk from the beach, perfectly located between Newcastle and Sydney and only an hour drive from either, it is the perfect destination for relaxation and enjoyment and you can do as little or as much as you like, the choice is yours.

We are located in the Town Centre, situated adjacent to the world famous Entrance Channel and positioned between the Pacific Ocean and the spectacular Tuggerah Lake, this marine environment compliments The Entrance Waterfront and its tourist attractions.

If you would like to enjoy spending time at Nesuto The Entrance Hotel, why not enjoy the outdoor saltwater splash pool and terrace area.

Alternatively why not visit the Pelican Feeding which takes place on The Entrance waterfront each day and is one of the Central Coast's most popular tourist attractions, entertaining and educating visitors and residents alike about the area's own pelican colony. Occurs daily at 3.30pm.
