

THE GROVE HOTEL

DOWNTOWN BOISE

When planning your next event at The Grove Hotel, we want to assure you that we have taken the below precautions and preventative measures to ensure that your group's successful and safe event. Please contact us for additional assistance or if we may help answer any questions. We look forward to hosting your next event soon!

Banquets | Events & Meetings | Wedding Space

- All meeting rooms are cleaned with PreventX 24/7 (an antimicrobial cleaning spray designed to disinfect and be effective against enveloped and non-enveloped viruses) and are cleaned with disinfectant on all surfaces between meetings.
- Hand sanitizer stations are placed at meeting space entry as well as at beverage & break stations and buffets
- Our facilities include a HEPA certified filter throughout the entire meeting space
- Disposable gloves and sanitizer stations will be available at beverage stations, break stations and buffets
- Coffee stations will be manned with a masked & gloved banquet team member during scheduled breaks
- Team members will wear masks inside meeting spaces.
- We request groups allow their agenda to accommodate staggered break and lunch times in order to allow social distancing in public foyers and restrooms
- Catering Managers are requesting groups to allow time between room turns to accommodate changing linen and proper cleaning
- Social distancing options are available - we have created spacing and floorplan options in meeting rooms should you wish to increase your event space to accommodate social distancing.
- Hybrid meeting options, support & equipment available
