We love kids...

Text or call us for complimentary activity kits for your kids...

...and pets!

...as well as treats for your pets.

Pet fee per stay: $30. Pets are welcome on the north side of the first floor. The south side and the second floor are kept off limits to pets to accommodate those with allergies or who are generally adverse to staying in a room that allows pets.

Pet rocks are welcome, too!

The soul of Iowa City

Get out and explore Iowa City. It's so rad, you might just forget about the game!

Looking for fun things to do in town? Check with us for in-hotel and around town entertainment ideas. We have disc golf supplies, kids activity kits and more.

City Park

This groovy spot on the banks of the Iowa River has several recreational facilities for sports, a playground, a run-walk trail, a swimming pool, an amphitheater (live-music, baby!), a boat ramp, and a couple of ponds.

Court Hill Park

This park has a playground, the sickest spot for a picnic, basketball courts, a soccer field, and an open play field where the kids can be free spirits.

Hickory Hill Park

Looking for a little flower power? Spend time in nature while taking a walk on the trails at this park or enjoy a picnic at the shelter.

Hi Point Golf Course

Built in the 60's, just like The Highlander Hotel, this family-run golf course is just a hop down from I-80.

The University Of Iowa Hospitals And Clinics

We're hoping you won't have to, but if you need medical attention, the University of Iowa is Iowa's premier medical facility.

University Of Iowa/ Kinnick Stadium

Crazy fans hang out here—some even go to the game! Stay with us so you can tailgate in style before a home game. Good times never felt so good as when you spend them at an Iowa Hawkeyes football game. Oh, and when everyone stands up at the end of the first quarter? Join in—we're waving to the kids at the University of Iowa Stead Family Children's Hospital.

Devonian Fossil Gorge

The Highlander Hotel may be retro, but this spot is the most extreme throwback. Located in nearby Coralville, the gorge lets you go for a hike on an ocean floor from 375 million years ago.

Pleasant Valley Golf Course

This course rocks for people of all skill levels and offers discounts for golfers under 18.

Downtown Iowa City

Just a hop, skip, and a jump from our hotel is a bustling downtown full of activities, shops, restaurants, bars, and more. Make sure to check out our rad Pedestrian Mall!

REMEMBER THE

Highlander

HEY-DAY?

Back in the day,
The Highlander was the place to stay...

that day is back.

The Highlander Hotel and Supper Club opened its doors in 1967 and the old girl is still foxy. This place has always been out of sight and we loved it so much that we gave it a full remodel. Book your next funky party in the 450-person ballroom that was added in 1973 and has the original chandeliers from the supper club. Speaking of the supper club, we have some radical plans for that sick space. We're working out the kinks (while grooving to them) in there but when we're done you can let your hair hang down in our luxury private spa.

So many people, especially us, have a whole lotta love for The Highlander Hotel. It's seen countless weddings and reunions and we want to keep the party going. To show off this old girl's history we're paying some RESPECT to where she came from by keeping the classic name of the hotel and we even changed our address to 2525 Highlander Place.
