

Before completing your booking, please review Vermont's COVID-19 restrictions to confirm eligibility to travel and stay at the hotel. Due to temporary rules for all hotels in this State, reservations are open to Vermont residents, Essential Employees, and counties with low coronavirus numbers, without restrictions. See link for map: <https://accd.vermont.gov/covid-19/restart/cross-state-travel> to see where your county falls in coronavirus numbers. Acceptance of reservations from other visitors are based on current rules and may require that guests have completed a mandatory self-quarantine before traveling to Vermont. In addition, incoming guests must complete a Certificate of Compliance as required by the State. These certificates are in our office and we attach them to your sign-in sheet. Please contact the hotel directly if you have questions about making a reservation or about the property. Thank you for understanding.

Due to COVID-19, the breakfast room is temporarily closed for table service. We offer "Breakfast-To-Go" with the same menu as the Continental breakfast.
