

## THE BARRINGTON HOTEL

Amidst the Covid-19 pandemic and beyond, we are committed to welcoming guests to a safe environment that aligns with public health protocols. We are actively monitoring and evolving our procedures to ensure a continued focus on the health and safety of our guests and associates. Amongst all this change, there is one thing that remains the same; OUR TEAM. You will be welcomed with the same great service, at our same great location, by the same GREAT PEOPLE.

### **Public Spaces**

Starting with our public spaces and high-traffic areas, we are going above and beyond our normal protocols. We are cleaning surfaces with increased frequency, dedicated staff, and recommended cleaning agents. Face masks are required in all public spaces.

### **Hand Sanitizer**

Hand sanitizing stations have been installed at hotel entrances, front desks, elevator banks, and meeting spaces.

### **Social Distancing**

Signage in public spaces will remind our guests to maintain social distancing. Partitions are in place at check-in to provide an extra level of precaution for our guests and our associates.

### **Guest Rooms**

In guest rooms, we have elevated our rigorous protocols to thoroughly clean all surfaces with hospital-grade disinfectants. Additional disinfecting wipes are available for guest use.

### **Our Team**

Our associates must undergo Personal Wellness Screening before coming to work and receive training on hotel safety practices and protocol.

### **Express check-out and Pre-Registration**

Pre-Registration is available for groups or individual bookings. Our express check-out service provides reassurance and distancing options for our guests.

### **Pool and Fitness Centre**

The pool and fitness centre will be closed until further notice due to Covid restrictions as per the Provincial Health Authority

### **Tempo Food + Drink**

Guided by the protocol of our Provincial Health Authorities, we are committed to our guests. Tempo Food + Drink will be closed until further notice
