

Dear Valued Guests,

We are excited to welcome you to Historic Hotel Colorado. To ensure the safety of our guests and staff, we have implemented many procedures and safeguards to protect against COVID-19. Hotel Colorado abides by all local, county and state public health orders and guidance. Additionally, we have adopted best practices outlined by the CDC and American Hotel and Lodging Association to ensure increased sanitization and social distancing.

We ask that you please abide by the State of Colorado's Public Health Order which requires face coverings while entering or inside of public buildings. These can be removed once seated in our restaurant and while in your guestroom.

We also ask that you maintain safe social distancing to ensure your protection. Remain 6 feet apart from other guests who are not in your party. Also, refrain from sharing the elevator with other guests who are not in your party.

Your guestroom has been thoroughly sanitized before your arrival. However, we will not be offering stayover housekeeping service during your stay. Should you need additional towels or other amenities, please contact Guest Services at ext. "0" and we will deliver them in a bag outside of your door.

**Hotel Colorado Restaurant and Bar** is now open for indoor dining, take-out orders and Room Service. Indoor dining is limited to 25% capacity, and all tables are distanced six feet apart for your safety. You can place a Room Service order by calling ext. "194". All deliveries will be contactless. **No alcohol sales are permitted past 10:00pm.** Our current menu is also attached for your convenience.

**Breakfast:** 7:00am – 11:00am

**Lunch:** 11:30am – 5:00pm

**Dinner:** 5:00pm – 10:00pm

We hope that you enjoy your stay with us!

Respectfully,

  
Christian Henry  
General Manager
