

**PRESS RELEASE**  
FOR IMMEDIATE RELEASE

**Braving The New Normal Together**  
***Lexis Hotel Group All Geared Up To Welcome Guests***

**Port Dickson, 8 June 2020** – It has been over two months since the government of Malaysia initiated the Movement Control Order (MCO), which was then relaxed into the Conditional Movement Control Order (CMCO) as the number of new cases started to dwindle.

Throughout this period of uncertainty, Malaysians from all walks of life united as a strong nation in the face of a global pandemic. With the official announcement of the Recovery Movement Control Order (RMCO) by Prime Minister Tan Sri Muhyiddin Yassin, all Malaysians can finally breathe a sigh of relief as interstate travel will soon be permitted and they can once again enjoy the luxury of travelling, especially staycation at some of Malaysians' favourite beachfront resorts, such Lexis Hibiscus Port Dickson, Grand Lexis Port Dickson, Lexis Port Dickson and Lexis Suites Penang.

All hotels and resorts under the Lexis Hotel Group have been operating at minimal capacity for the past few months, gearing up to welcome their guests once the dust settles, while fortifying their housekeeping and hospitality hygiene blueprint according to the guidelines and standard operating procedures outlined by the Ministry of Health (MOH). Their upgraded protocol now guarantees optimal sanitation and cleanliness levels of each guest room and water villa through the effective utilization of MOH-approved industrial-grade cleaning products and equipment.

The Group has also amped up their game through the strict implementation of a mandatory deep-cleaning procedure on all high-touch areas by well-trained cleaning staff and housekeeping professionals. Known for their world record-breaking number of private pools, guests can look forward to continue enjoying a splashing good time with family and friends at full ease in the safety and privacy of their rooms, as the pools are constantly disinfected and remain well maintained at all times.

Lexis Hotel Group also takes their role in promoting safe social distancing very seriously in order to ensure the health and safety of their guests, with various preventive and protective measures being implemented in all their properties. From the very first moment guests step into the resorts' facilities, they will be screened for healthy body temperature as well as encouraged to put on masks and disinfect their hands at hand-sanitizing stations made available at all key common areas.

Contactless sign in is optimized to facilitate contact tracing when necessary, as all guests are required to scan a unique QR code from a site poster placed at numerous entrances in order to complete a self-declaration form. Health and hygiene reminders are displayed at highly visible locations throughout the resorts as a mean to inform and educate the masses on the proper ways of wearing a mask, practicing physical distancing, hand washing

and sanitizing. Guests will also be pleased to discover more varied dining options with room service being provided by their in-house restaurants at no additional charge.

With all the aforementioned effort being well in place, Lexis Hotel Group is determined to ensure the safety and peace of mind of each and every guest by creating a COVID-19 Free Zone. Their priority is and will always be to make guests feel safe to enjoy their Lexis experience to the full extend.

As a token of appreciation for its guests unwavering faith and support through thick and thin, for a limited time only Lexis Hotel Group is offering staycation e-vouchers for their favourite rooms and water villas with unprecedented discounts starting as low as RM 180 nett per night at [vouchers.lexis.my](https://vouchers.lexis.my). Each voucher is valid for a one-night stay and for any stay period from today until 31 January 2021. Terms and conditions apply.

- End -

**About Lexis Hotel Group**

*Lexis Hotel Group provides discerning leisure and business guests with practical and luxurious accommodations across various properties in Malaysia. It is steadfast in offering professional management services for hotels and resorts, and has successfully built a strong, profitable and visible premier niche brand in the hospitality industry especially in managing award-winning unique water chalets as well as pool villas. The brand currently manages four properties, namely Lexis, Grand Lexis and Lexis Hibiscus, all located in Port Dickson, as well as Lexis Suites Penang located in Penang, Malaysia. Future direction of the Group includes Imperial Lexis Kuala Lumpur, a five-star luxury hotel located in the vicinity of the prestigious KLCC enclave and Lexis Hibiscus 2, an up-coming luxury resort in Port Dickson.*
