

EMOTIONS FROM THE SEA

THE GULF as you've never seen before

You will discover hidden coves in full relaxation, surrounded by the calm sea and the silence of nature. The perfect experience to appreciate the Gulf of Poets and spend a few hours of sunshine in the middle of the sea, admiring the surrounding panoramas. You will have the chance to stop and dive in the crystal clear water!

Place: Gulf of Poets, Cinque Terre Nature Park

Duration: Full Day or 3 hours, available on request from Monday to Sunday

You can learn about different aspects during the boat trip, including those related to environmental awareness and the characteristics of the local marine ecosystem.

Don't forget the sighting of cetaceans is a matter of luck!
