Completed by	Rose Hossack
Email address	functions@noahsonthebeach.com.au
Effective date	29 March 2021
Date completed	1 April 2021

Wellbeing of staff and customers

Advise staff and visitors who are unwell with COVID-19 symptoms to immediately get tested and place themselves in isolation until they have received their results.

Consider how customers could be isolated while awaiting their results, if they are sharing accommodation with others.

Agree

Provide staff with information and training on COVID-19, including when to get tested, physical distancing, wearing masks and cleaning.

Agree

Other types of venues or facilities within the premises must complete COVID-19 Safety Plans where applicable. If contact details are captured electronically upon entry to the main premises on the relevant day, additional collection of contact details via electronic methods may not be required if there is no other public access to the sub-premises. However, additional contact details and time of entry must be captured where these sub-premises are indoor gyms, nightclubs, dine-in hospitality venues, pubs and bars.

Agree

Physical distancing

Support 1.5m physical distancing where possible.

Agree

Avoid congestion of people in specific areas where possible.

Agree

Consider having strategies in place to manage gatherings that may occur immediately outside the premises, such as pick-up and drop-off zones.

Agree

Hygiene and cleaning

Adopt good hand hygiene practices. Have hand sanitiser at key points around the venue.

Agree

Ensure bathrooms are well stocked with hand soap and paper towels or hand dryers.

Agree

Clean frequently used indoor hard surface areas (including children's play areas) at least daily with detergent/disinfectant. Clean frequently touched areas and surfaces several times per day.

Agree

In indoor areas, increase natural ventilation by opening windows and doors where possible, and increase mechanical ventilation where possible by optimising air conditioning or other system settings (such as by maximising the intake of outside air and reducing or avoiding recirculation of air).

Agree

Record keeping

Keep a record of name, contact number and entry time for all staff, customers and contractors for a period of at least 28 days, including a room number where relevant. Electronic collection (such as QR code) of contact details for each person is strongly encouraged.

Agree

Records must be provided as soon as possible, but within 4 hours, upon request from an authorised officer.

Agree

I agree to keep a copy of this COVID-19 Safety Plan at the business premises

Yes
