

Before completing your booking, please review Vermont's COVID-19 restrictions to confirm eligibility to travel and stay at the hotel. Acceptance of reservations from out-of-state visitors are based on current rules and may require that guests have completed a mandatory self-quarantine before traveling to Vermont and/or have been vaccinated. In addition, incoming guests must complete a Certificate of Compliance as required by the State. These certificates are in our office and we attach them to your sign-in sheet. Please contact the hotel directly if you have questions about making a reservation or about the property. Thank you for understanding.

Please visit <https://www.healthvermont.gov/covid-19/travel-quarantine/visitors-vermont> for requirements and restrictions. You may also view the Certificate of Compliance at <https://accd.vermont.gov/content/lodging-certificate-of-compliance-effective-2021-04-09>.

Due to COVID-19, the breakfast room is temporarily closed for table service. We offer "Breakfast-To-Go" with the same menu as the Continental breakfast.
