

Aria Hotel hosted the former U.S. President Bill Clinton

Aria hotel has hosted a long list of VIP guests, so much of the national and international political environment as well as of the science, art and the show. Among them definitely stands out the former U.S. President Bill Clinton who travelled to Prague to Energy Summit EGS24 on the 23rd to 25 of May 2012.

According to the feedback we receive, celebrities are visiting Aria hotel primarily for its intimate atmosphere, ensuring of complete privacy and superior service that allows them to pursue their work or relaxation blithely.

We believe that The President enjoyed his brief stay a lot with us in large part to all staff's efforts.
