## ROMANTIC WINTER WEDDING

In winter, Lake Wörth has its very special charm. So why not get married in the cold but so romantic season, when the castle shines in glistening lights and a blanket of snow covers the surrounding landscape? Horse-drawn sleighs and alphorn blowers playing their tunes in a deeply snow-limned setting directly at the most beautiful lake in Austria.

### **BALLROOM**

When booking the ballroom, we will also reserve the rooms directly above the venue for you and your wedding party due to ambient noise. Depending on the choice of ballroom, this accounts for 5 to 10 hotel rooms.

We gladly host you in our ballroom until 02.00 in the morning. As an alternative, we look forward to welcoming you in our Schlossbar until the early morning hours. Alternatively the ballroom can be rented for 2 days, which allows you to celebrate in the ballroom until the early morning.

### **MUSIC IN RESTAURANT SEESPITZ**

Due to the ambient noise, we ask for your understanding that at 11 pm the glass fronts of the restaurant will need to be closed with music being played until 1 am. You are cordially invited to celebrate your party at Schlossbar until the early morning.

### **MINIMUM CONSUMPTION**

Please understand that we charge a minimum turnover for exclusive rental of our Seespitz Restaurant & Living.

If the minimum consumption is not reached in food and drinks, the hotel reserves the right to charge the difference. Any additional costs such as decorations, technology or entertainment are not part of the minimum sales volume and will be charged separately.

### **ALLERGIES AND INTOLERANCES**

In preparation of the wedding menu, we ask you to inform us about any food allergies or intolerances of bride, groom and wedding guests in advance.

### **PROVISIONS FOR BALLOONS**

In the interests of aviation safety, more than 30 balloons within a 15 km radius of an airfield and more than 100 small air balloons in accordance with § 128 para. 4 Aviation Act (LFG) require a permit from the Governor.

We kindly ask you to obtain the respective permission independently.
