

HEALTH & SAFETY GUIDELINES

Alderbrook Resort & Spa considers the health and safety of our guests, team members, and community our highest priority. We have spent the past several months learning and developing new protocols for hygiene and safety for the new normal. The following guidelines support our safe & clean initiative – & provide details on what to expect at your next visit.

- We ask any guest feeling unwell or having COVID-19 symptoms to call the Spa in advance and cancel your appointment until you have recovered.
 - All services are dependent on completion of the New COVID-19 Health Screening Waivers
 - Each guest will be sent a waiver via email prior to the date of their appointment to bring with them for service. Guests must bring waiver for service.
 - Temperature Checks are to be completed at Spa check in
 - Fully vaccinated Team Members and Guests may choose to not wear their mask while in Spa Public Spaces. Per WADOH standards for medical facilities, masks must be worn though the duration for massage therapy and body treatment services.
-
