## 3-night Christmas Package

### Christmas Eve:

Arrive at your leisure! Your Grand bedroom will be available from 3pm. Our team will be here to offer you a warm welcome and ensure that you are settled in and have everything you need. In the evening, sit down to an exquisite four-course dinner with a welcome drink upon arrival. Each course will be accompanied by a carefully selected wine pairing. If you would like to enjoy the festive sounds of the local choir they will be singing in the lounge from 6.30pm to 7pm.

### Christmas Day:

Begin the morning with a full English breakfast buffet in our restaurant. After breakfast, you may choose to take a brisk stroll along the beach in the crisp Christmas air, or relax in the warmth and open presents with your loved ones. No Christmas would be complete without a visit from Father Christmas who arrives with presents to the young ones at midday. The highlight of the day is our classic four-course Christmas lunch, served in our sea-facing Albert Suite. There will be a light buffet served in the evening.

### Boxing Day:

The morning is all yours before our famous Boxing Day Lunch. In the afternoon, relax and watch the world go by on Brighton's seafront. Then dress up for a special dinner as the evening will come alive with a fabulous five-course meal and live music. The perfect way to end your Christmas break.
